

### Jobless Checks Delayed But Will Show Increase

Temporarily unemployed workers who have not received unemployment compensation checks that were due them may find that, when the checks do come, they were worth waiting for.

Robert White, acting manager of the state unemployment office here, explained that an increase in benefits which became effective July 2 is responsible for the lag.

"Because of the increase, it was necessary to check records of all wages earned last year by those eligible for compensation to see if they had ample wages to qualify for the increased benefits," he said.

The records are sent to the Chicago office for checking and then returned here, White said. Some employees of the A. O. Smith Corp. plant, makers of automobile frames, reportedly did not receive all their unemployment checks for the lay-off during the annual changeover to new models. They received the first checks on schedule but not the others. The plant was closed for several weeks due to the changeover.

White said only three or four persons had inquired at his office about the delay.

"In any case, we're pretty well caught up now and it's mostly a matter of getting the checks written up and sent out of Chicago," White said.

Those who appeared at the office to report delinquent checks were told about the increased benefits, which caused the delay, and their records here were checked to be certain a copy was sent to Chicago, White explained.

### Fall Victims, Others Get Hospital Treatment

Falls resulted in injuries requiring emergency treatment at St. Elizabeth Hospital for two Granite City children early this week, one of them being held for further care.

Jeanne Snider, eight-year-old daughter of Mr. and Mrs. Kenneth Snider, was injured in a fall at her home at 4100 Breckinridge lane Monday afternoon. She arrived at the hospital with injuries to the right side of the head and nose, and was admitted. Her condition was listed yesterday as good.

Johnny Schmidt, six, 4103 Kaseberg street, fell 15 feet from the bleachers while attending stock car racing at the local speedway Tuesday. He was treated at the hospital at 11 p. m., receiving chest, skull and spine x-rays, and was released. Others treated Monday were Michael Hilkey, six, 2644 Adams street, who received x-rays after being struck in the head with a baseball bat while playing at home, and Tommy Gaudreault, three, 5112 Raab road, who was treated for a leg hook caught in his neck. Both were released.

### Nine Drivers Charged With Speeding Tuesday

Granite City police, with the aid of an electronic timing device, ticketed nine motorists Tuesday for exceeding the speed limit. The timer was used in the 2700 block of State street in the morning, when three drivers were stopped. In the afternoon, operations were moved to Iron street and Edwardsville road, where six persons were arrested.

Charged with speeding on State street were Mabel B. Deitz, Edwardsville; Bonnie F. Ford, Kaseberg lane; and Charles Panchodas, Rural Route One. Those ticketed on Edwardsville road were Patricia A. Ashby, Eldorado, Ill.; Lennie B. Crockett, Collinsville; Pete G. Kafalas, 2521 East 24th street; John B. Gage, 2832 Warren avenue; Danny Jagoliar, East St. Louis; and Richard Robinson, 2403 Grand avenue.

All nine posted their driver's license as bond pending hearings.

### Select Name For Child

Pamela Sue is the name given by Mr. and Mrs. Frank Roberts, 3017 Forest avenue, to their daughter born Aug. 12 at St. Mary's Hospital in East St. Louis.

## Magistrate, One Alderman To Be Named In Madison

Madison voters will go to the polls Tuesday, Aug. 22, to elect a police magistrate, and First Ward voters also will cast ballots for an alderman. John Bridlek is unopposed for the first position, while two candidates, Robert Donald Reeves and Bernard "Bernie" Dennison, are on the ballot for the council post.

Bridlek is running to fill a vacancy created when Louis S. Kismar vacated the office of magistrate shortly after his election in April 1961. The other two are seeking the unexpired aldermanic term of Bridlek. He resigned to run for the magistrate's job, leaving most of his term remaining.

Bridlek and Reeves are running under the banner of the City Improvement Party, while Dennison appears on the ballot as an independent. The party has the support of officials.

Bridlek, who lives at 1617 Second street, is Venice township school treasurer. Reeves, 1435 Third street, is an employee of the Madison Products Co. and Dennison, 502a Madison avenue, is a clerk for the Brown Shoe Co.

Polls will open for the special election at 6 a.m., closing at 6 p.m. Polling places are as follows:

First Ward, Fire Department building, 1527 Third street; Second Ward, Public Library, 1700 Fifth street; Third Ward, Madison memorial center, Seventh street and Lee avenue; Fourth Ward, state building, 1213 Madison avenue; and Fifth Ward, West Madison memorial center, 900 West Washington street.

Paul Christopher Fogle, 21-month-old son of Mr. and Mrs. Harold Fogle, 2325 East 25th street, was killed at a swimming lake resort at 1 p.m. Monday when a swing in which he was playing collapsed, the child being ejected from the head as he fell.

The accident occurred at the Shawnee Bay Resort, near Benton, Ky., where the family had just arrived. The child was taken to a hospital but died of his injuries. The family said the child was being pushed in the swing by his sister, Susanne, 4 years old.

He was swinging only a few feet high, they said, when the legs of the swing, of the pipe construction, apparently came out of the ground and the whole structure overturned.

He was thrown to the ground by the collapse, striking his head upon some rocks and losing his swing. At the same time, an aunt reported, he was struck in the back of the head by the seat of the swing.

He was taken to a medical clinic at Benton, the nearest town, but was pronounced dead on arrival.

In addition to his parents and sister, the boy is survived by both grandmothers. There are four other children in the family: Fogle of Granite City and Mrs. Myrtle Melroy of Madison; two sons, Mrs. Louis C. Melroy and Mrs. Winton and Larry Melroy and seven cousins, all of Granite City.

Funeral services were conducted today at 1 p.m. at the Methodist Church, with burial in St. John's Cemetery. An obituary appears elsewhere in this issue.

## Committee Heads Meet On Labor Talks, Sewers

Committee chairman of the city council and Mayor David discussed sewer repairs and labor negotiations Monday evening when they met for dinner at Cline's restaurant.

W. A. Pearson, resident city engineer, outlined possible methods of repairing breaks in Namcoid drainage lines and will present a report to the full council next Monday night.

Arthur Crouch, Teamsters' Local 525 business agent, also conferred with the group, which endorsed the council's stand of limiting the city humane officer to a \$25 monthly increase, same as that granted to others on the city payroll.

A \$15 raise has been sought to place the humane officer at the same salary level as teamsters employed by the city, and possibility of a strike effective Aug. 22 was reported at the last council meeting, unless it was granted.

Committee chairman present were Sam Whitman, public works and library committees; Paul Rutledge, finance; Arthur Wiser, personnel; Frank Vesci, public safety; Rufus LeMaster, inspection; Donald D. Patney, council clerk; and Charles Meyer, traffic.

Brass Mill Expansion Near Here In 1961-64

A multi-million dollar program to modernize the company's brass operations and raise production capacity was announced Thursday by Stanley die J. Osborne, president of Olin Mathieson Chemical Corp.

Inclusions are improvement and expansion of the East Alton brass mill, which is expected to increase employment opportunities in this general area.

At a meeting of the Security Analysis of San Francisco in the St. Francis Hotel, Osborne reported the expansion is part of a continuing corporate-wide capital expenditure program. Olin's cash flow now allows expenditure of \$400,000 to \$500,000 a year on expansion and modernization without outside financing.

By 1963, another \$15,000,000 will be saved annually by elimination of special aluminum payments being made rapidly to amortize \$100,000,000 of debt for this operation.

The brass modernization program will strengthen the market position of Olin brass and reinforce its reputation for quality by incorporating the latest technological improvements in brass and copper castings, annealing, rolling and fabricating.

Scheduled to be completed in early 1964, the program will include construction of an entirely new brass and copper casting and rolling plant in East Alton; replacement and modernization of various finishing mills, annealing and rolling facilities at the present Olin brass mills at East Alton and New Haven, Conn.; as well as modernization of brass fabricating facilities.

Osborne predicted that cash resources of the firm by the end of 1961 will total between \$35,000,000 and \$77,000,000. Principal projects in the expansion and improvement program are as follows:

1. The new direct chill casting and rolling plant, to be housed in an aluminum building of approximately 200,000 square feet of floor space area, will be built about a mile south of Olin's present East Alton brass mill. The new plant, scheduled for completion in early 1963, will produce brass coils for re-rolling in the other East Alton mill and at New Haven. Site preparation is underway, and construction is expected to start in the next few weeks.

2. The present brass strip mill at East Alton—one of the largest in the world—will be completely modernized and improved as a finishing mill. This will include installation of new and rebuilt rolling mills, annealing furnaces, slitter, shears and a materials handling equipment. It is scheduled for completion early in 1964.

3. Olin's brass fabricating plant at East Alton, where hundreds of components are made by stamping, drawing and forming techniques for other manufacturers, will be modernized with new and revamped presses and additional materials handling equipment to improve the flow of work. Operations now carried on in several separate buildings will be consolidated under one roof. This program is to be finished by early 1963.

Engineering work on the major projects is almost completed and bids are being invited for the new equipment and installation services. The company's brass is known for 45 years as Western brass. The name was changed recently to Olin brass to achieve closer identification with the corporation name.

## Miss Lurton, Former Teacher, Dies In West

Miss Metta Lurton, 68, a former teacher in the Granite City elementary schools, died Wednesday at her home in Los Angeles, Calif., after suffering a stroke a week ago, according to

word received by her cousins, Mr. and Mrs. Hardin Jackson, 2215 Dolmar avenue.

Miss Lurton, who was a member of the faculty of the McKinley school, was well known here. Since leaving Granite City, she had visited often at the Jackson home. Funeral arrangements have not yet been made.

Vote Here Aug. 24 On Wheat Market Quotas

Wheat producers who are eligible to vote in the Thursday, Aug. 24 wheat marketing quota referendum will be limited to those producers in commercial wheat states who raised more than 13.5 acres of wheat in any one of the years of 1959, 1960 or 1961.

Edwin C. Reithmeier, chairman of the County Agricultural Stabilization and Conservation Committee, said today that producers who signed applications under the feed wheat provisions permitting them to grow wheat for feed use only on their farms for 1961 will not be eligible to vote. Polls will be open from 8 a.m. to 6 p.m.

At least two-thirds of the growers voting in the referendum must approve wheat quotas if they are to become effective. Under quotas, farmers participating in the 1962 Wheat Stabilization Program would be eligible for a minimum national average price support of \$2 a bushel on the wheat they produce in 1962. This price reflects 84.4% of the August 1961 parity price.

The wheat stabilization program also will provide payments for devoting diverted wheat acreages to conservation uses. In those cases where "excess" wheat results from noncompliance with a farm's acreage allotment, marketing penalties will apply.

If more than a third of the wheat producers voting oppose marketing quotas, there will be no restriction on wheat market and no wheat stabilization payments, but allotments will remain in effect as a condition for price support at 50% of parity, as directed by law.

Since those who vote in the Aug. 24 referendum will decide the kind of program that will be in effect for the next wheat crop, the chairman is urging that every eligible voter cast his ballot so the result will be representative.

Wheat producers in Chouteau, Nebraska; Venice and Collinsville townships will vote at the IOOF Hall in Namokid.

Justifiable Homicide Ruled In Aaron Shooting

An inquest last night conducted by Judge County Coroner Joseph Pieper ended in a verdict of justifiable homicide in the July 29 shooting of Eddie B. Aaron, 20, of 1127 Logan street, Venice.

Aaron was shot three times by Robert L. Barry, operator of a Madison service station, who said Aaron returned to his station after an earlier argument over the price of brake fluid and the "gun pushing me around." Witnesses verified Barry's story.

## Committee Heads Meet On Labor Talks, Sewers

Committee chairman of the city council and Mayor David discussed sewer repairs and labor negotiations Monday evening when they met for dinner at Cline's restaurant.

W. A. Pearson, resident city engineer, outlined possible methods of repairing breaks in Namcoid drainage lines and will present a report to the full council next Monday night.

Arthur Crouch, Teamsters' Local 525 business agent, also conferred with the group, which endorsed the council's stand of limiting the city humane officer to a \$25 monthly increase, same as that granted to others on the city payroll.

A \$15 raise has been sought to place the humane officer at the same salary level as teamsters employed by the city, and possibility of a strike effective Aug. 22 was reported at the last council meeting, unless it was granted.

Committee chairman present were Sam Whitman, public works and library committees; Paul Rutledge, finance; Arthur Wiser, personnel; Frank Vesci, public safety; Rufus LeMaster, inspection; Donald D. Patney, council clerk; and Charles Meyer, traffic.

Brass Mill Expansion Near Here In 1961-64

A multi-million dollar program to modernize the company's brass operations and raise production capacity was announced Thursday by Stanley die J. Osborne, president of Olin Mathieson Chemical Corp.

Inclusions are improvement and expansion of the East Alton brass mill, which is expected to increase employment opportunities in this general area.

At a meeting of the Security Analysis of San Francisco in the St. Francis Hotel, Osborne reported the expansion is part of a continuing corporate-wide capital expenditure program. Olin's cash flow now allows expenditure of \$400,000 to \$500,000 a year on expansion and modernization without outside financing.

By 1963, another \$15,000,000 will be saved annually by elimination of special aluminum payments being made rapidly to amortize \$100,000,000 of debt for this operation.

The brass modernization program will strengthen the market position of Olin brass and reinforce its reputation for quality by incorporating the latest technological improvements in brass and copper castings, annealing, rolling and fabricating.

Scheduled to be completed in early 1964, the program will include construction of an entirely new brass and copper casting and rolling plant in East Alton; replacement and modernization of various finishing mills, annealing and rolling facilities at the present Olin brass mills at East Alton and New Haven, Conn.; as well as modernization of brass fabricating facilities.

Osborne predicted that cash resources of the firm by the end of 1961 will total between \$35,000,000 and \$77,000,000. Principal projects in the expansion and improvement program are as follows:

1. The new direct chill casting and rolling plant, to be housed in an aluminum building of approximately 200,000 square feet of floor space area, will be built about a mile south of Olin's present East Alton brass mill. The new plant, scheduled for completion in early 1963, will produce brass coils for re-rolling in the other East Alton mill and at New Haven. Site preparation is underway, and construction is expected to start in the next few weeks.

2. The present brass strip mill at East Alton—one of the largest in the world—will be completely modernized and improved as a finishing mill. This will include installation of new and rebuilt rolling mills, annealing furnaces, slitter, shears and a materials handling equipment. It is scheduled for completion early in 1964.

3. Olin's brass fabricating plant at East Alton, where hundreds of components are made by stamping, drawing and forming techniques for other manufacturers, will be modernized with new and revamped presses and additional materials handling equipment to improve the flow of work. Operations now carried on in several separate buildings will be consolidated under one roof. This program is to be finished by early 1963.

Engineering work on the major projects is almost completed and bids are being invited for the new equipment and installation services. The company's brass is known for 45 years as Western brass. The name was changed recently to Olin brass to achieve closer identification with the corporation name.

## Miss Lurton, Former Teacher, Dies In West

Miss Metta Lurton, 68, a former teacher in the Granite City elementary schools, died Wednesday at her home in Los Angeles, Calif., after suffering a stroke a week ago, according to

word received by her cousins, Mr. and Mrs. Hardin Jackson, 2215 Dolmar avenue.

Miss Lurton, who was a member of the faculty of the McKinley school, was well known here. Since leaving Granite City, she had visited often at the Jackson home. Funeral arrangements have not yet been made.

# Park Nine To Make Bid At ASA Finals On Friday

## Balanced Mound Corps Bright Spot; Legate To Face Van Horn In Opener

Minus two regular players and with two others on the doubtful list, the Granite City Park District squad will nevertheless enter the Illinois Amateur Softball Association state playoffs at Monticello with a rested and well-balanced pitching staff.

The six-day tournament began last night with first-round games between Monticello and Danville, and Villa Grove and Leech Dairy of Bloomington, but Granite City will not see its first action until tomorrow evening.

Manager Dean McGovern has a long list of players, but the mound since last Saturday when he got credit for a 5-2 win over Frankies of Belleville in an ASA sectional tournament game at Wood River which assured GC of a trip to Monticello.

Other hurlers ready to go are two other mainstays of McGovern's mound corps, Ray Huff and Leo Six, should be ready for later ASA starting assignments, provided Legate can propel the club into the quarterfinals.

Huff was the starting hurler last night at Fox Park in St. Louis, where Granite City faced Eighth Inning Louie in a Mury Class AA contest; and Six is scheduled to pitch against the Cardinals' Bar at Fairgrounds No. 2 tonight at 7 o'clock in another Mury contest.

If GC can top Van Horn's champion of the championship sectional, it will meet the victor of Thursday's Casey - Springfield game Sunday at 3 p.m.

Huff, with better than three days rest, probably would get the call for that game. A win would move the Park club into the semifinals at 9 p.m. Sunday, and Six would be ready with almost three days of inactivity.

Looking even further ahead to the state final - McGovern could then come back with Legate in the title game Monday at 8:35 p.m. He would have had a full three days rest, also.

Tough Competition There are 15 other teams in the single elimination tournament with championship aspirations, too, and a couple are touted as real "toughies."

Chief among them are New Bedford, back in the ASA after an absence of seven years; the Monticello club, defending state champions; Villa Grove, last year's state runner-up; and the always dangerous Decatur Merchants.

The Park District's opponents tomorrow night will be recognized as the old Champlain Tumble Inn crew of last year. The club changed sponsors at the end of the season, but kept most of the player personnel on the roster.

The Cero Gordo club also has the shortest distance of any club to travel to the Monticello city park - some 15 miles - while Granite City must make the longest journey of any of the 16 finalists.

Injuries Betch Two The club will leave by auto early Friday afternoon, taking along four players who have been bothered by injuries, including one who will definitely not see action.

First-Baseman and Field Captain Conrad "Babe" Chapman has head tightly bandaged as a result of a jaw fracture suffered at Wood River, will have to be content as club scorekeeper for the duration of Granite City's stay in Monticello.

Jack Scarborough, who has a shoulder injury, probably will go

Speed Race At Horse Show Difficult Test For Horses, Riders

The speed race event at the Rotary Horse Show to be held Aug. 28 and 29 at the City Speedway will be a real test of both horse and rider, sponsors of the show pointed out this week.

Speed alone is not the sole criterion for winning one of the four places in the event. The horse and rider must perform an intricate maneuver and do so in minimum amount of time.

The horse and rider begin at a starting line which is one-fourth the distance from the end of the arena. Three wands are placed at the far end of the arena, and a 16-foot-square area is marked out on the ground at the finish line three feet from the fence. Each horse must start inside the arena, cross the starting line, circle the three wands on the outside and stop with its four feet inside the box, where the horse will be held until waved out by the judge.

If a horse stops outside the box or on the line, it must be disqualified. If the horse passes inside the lines, it will be disqualified. For each wand knocked down, a two-second penalty is incurred. Riders' time starts when the horse crosses the starting barrier, and stops when the horse crosses the finish barrier.

The horses all charge out and around the wands and "burn the leathers" coming back. Each horseman has his own way of executing a quick stop inside the box, but most horses will come alighting to a stop on their back legs. The horse must be well trained to remain inside the marked area, and failure to do so means disqualification. "The fastest time may not win as the team may be disqualified by stopping on the line or not remaining in the box."

DeMolay Table Tennis Title To Stiegelmeier Ray Stiegelmeier clipped a first-place trophy Tuesday night in a table tennis tourney at the Masonic temple among 12 members of the Granite City DeMolay chapter.

The tourney followed the chapter's regular business meeting. Warren Nash was runner-up to Stiegelmeier and Mike Lester finished third.

Chief DeWitt Returns Venice Police Chief Frank DeWitt returned to his office Tuesday following a nine-day vacation at the Old Oak Barn Lodge, Gordon, Wis. His report on the trip - "The nights were cool enough for a blanket, and the days were perfect for fishing and swimming."

## Moose Club Clinches Tie For Title, Exterminators Win In B League Play

Moose Club 272 clinched at least a tie for the regular season title in the Granite City park district's Class B Softball league Tuesday night at Wilson Park by squeezing past the Graniter, 2-1.

It was victory No. 11 for the Moose, who have lost but one and have two league contests to go, and gave that club a three-game lead over idle second-place Spenger Insurance, which stands 7-3 with four games remaining. The Graniter, who managed four hits off winner Bill Faylor, scored their only run in the second on a single, walk and a double by Calisher Jack Hanz.

Moose retailed in the fifth on a walk, single and a two-run single by Don May. The winners had eight base knocks. Ken Mitchell was the losing pitcher. Briggs caught for the Moose, 3 Hits, 4 Runs, 1 Error. Modern Exterminators dropped

Club Delmar to the 500 level in the second game, scoring four times on only three hits in a 4-2 minor upset.

The winner was Paul Hopper. Jack Kilpatrick was a hard-luck loser, giving up just three hits. Clayton Harrison caught for the Exterminators, and Jim Ray for Club Delmar.

The Exterminators scored twice in the first when Jack Vaughn singled with runners at second and third and added the clinchers in the fourth. Delmar plated single runs in the first and fifth.

The Class B standings: Team W L GB Moose Club 272 11 1 Spenger Insurance 7 3 2 Modern Furnace 6 5 4 1/2 Club Delmar 5 6 5 1/2 Exterminators 5 7 6 1/2 GCS Credit Union 4 7 6 1/2 K. of C. 1 10 9 1/2

Falconets Win Title In Summer Pin League The Falconets claimed the title in the Granite City park district's summer bowling league Tuesday night at the Big Top Bowl. The championship team rolled to a 15-3 season record. Second were the Strikettes, who completed an 11-7 mark.

High scores established during the season were an individual high two-game series of 332 and a high single game score of 188, both by Phyllis Hagauer of the Parkettes; and a high season average of 130 pins by Sharon Koch of the Strikettes.

Mother-Daughter Pin Title To Koginettes The Koginettes defeated the Comets 2-1 to win the title in the Mother and Daughter Bowling league Wednesday at Big Top Bowl. The league champions finished the season with a 12-3 record while the Comets were 14-4.

High marks for the season were 234 two-game series, 181 high game and 146 average by Mrs. Hildred Koch, and the Koginette 1038 series and 574 single game.

## Meyer Grabs 1st Feature At Speedway

Bill Meyer picked up his first feature victory of the season Tuesday night at the Tri-City Speedway as he drove to victory in the 50-lap main event for super-modified stock cars.

Meyer's win came in the wrap-up of an 11-race card. Earlter, Chuck Cardwell had taken the feeder-bender feature and Donnie Smith had scored in the amateur feature.

In a special modified handi-cap race for the six fastest qualifiers, Norm Hixmanius took the checkered flag. With Spaulding of Madison, Dave Hollis of Granite City and Meyers finished 1-2-3 in the qualifying runs, but Hollis and Spaulding had to settle for single wins in modified heat races once the program got underway. Chuck Kornwald won a third modified heat.

Other heat race winners were Donnie Smith and Bill Young in the amateur class, and J. M. Jenkins and Bud Purley in feeder-bender cars.

Another stock car program will be staged Saturday night at the speedway under auspices of the Allied Racing Association. Hobby and championship-class cars will begin running at 8:30 following time trials.

Next Tuesday, a special tag race will be an added attraction for stock and modified car enthusiasts. Trials are at 7:30, and racing one hour later.

Tonight, the speedway presents its first midweek auto racing program of the summer. An

EXAMINING TROPHY which local park district club won by finishing second in the ASA sectional softball tournament at Wood River are team Manager Dean McGovern (left) and Field Captain Conrad "Babe" Chapman, who was injured when struck in the face by a ball thrown in a pre-game warm-up at Wood River. Chapman suffered a fractured jaw and is out for the rest of the season. However, he will accompany the local club to Monticello Friday when it makes a bid for the state ASA title.

## Boots Costly As GC Drops 4-3 Decision

Committing two costly errors in the final three innings, Granite City's park district Class A softball club blew a 3-0 lead at Fox Park in St. Louis last night, and dropped a 4-3 Mundy drop decision to eighth place. The loss dropped GC to 4-5 in the league.

In the second, singles by Andy Angelfoff and Jake Hinterser, a walk and two fielders' choices produced a run. Three innings later losing Pitcher Ray Huff doubled, Ron Dillard connected, and Jim Bain connected for a two-out, two-run ace.

**Three-Run Rally**  
Huff, who did not allow a baserunner through the first four innings and hung up five strikeouts, ran into trouble in the fifth. Eighth inning scored the first run, three innings later losing Pitcher Ray Huff doubled, Ron Dillard connected, and Jim Bain connected for a two-out, two-run ace.

Kraus drove in the winning run with another ace in the seventh after another error, single, wild pitch and stolen base.

Huff and Kraus each struck out seven GC managed five hits to eighth inning's six. Al Kutera caught for the ninth, and Charlie Miller for the winners.

Tonight, GC faces Thurmer's in another Mundy contest in St. Louis. Thurmer's swept two from Saco last night at Fox Park 3-0 and 13-1.

## Four GC Youths In Finals of Jaycee Junior Sports Jamboree At Champaign

Four Granite City youths will be among some 600 boys and girls from across the state who will compete for top honors tomorrow and Saturday at the sixth annual Jaycee Junior Sports Jamboree at Champaign.

Carlynn Starling, Terry Lab-bor, Kelly Hogan and Tim Stuart, who won first places in their respective events at the Jaycee regional jamboree in Centuria on July 22, will compete as representatives of the Granite City Jaycees.

Miss Starling, Miss Lab-bor and Stuart earlier had been the winners in events staged at the local sports jamboree on June 16.

The Illinois finalists are the survivors of competition which began over two months ago and involved an original 50,000 boys and girls. Local meets were sponsored by 85 Jaycee groups, and winners competed in six sectional meets last month.

Illinois Jaycees and the Illinois Youth Commission are sponsors of the jamboree, which places primary stress on physical fitness and sportsmanship.

**Record Performances**  
Two of the local youths entered the Illinois finals with records in their specialties which are better than existing state records.

Rick's Market and Bowland reached the final round of the Senior Teenage Softball league post-schedule playoffs last night with victories at Wilson Park.

Rick's unleashed a 2-1 hit barrage to bury Roca Black chapter 28-6, and Bowland followed up with a 4-1 win over Sacred Heart. The winners are scheduled to meet sometime next week in a single game for the next trophy.

Bob Hoffek picked up an easy win in the first game as his teammates provided solid back-up, including home runs by Steve Schardan and Catcher Bob Summers. Schardan, Summers, Ron Foderbach and John Grobowski each had four hits. Grobowski collected two triples and two doubles off loser Vic Fuderbach, and between them Fuderbach and Bill Baldwin swiped eight bases for Rick's.

Roca Black scored five runs in the sixth inning, Jerry Neilson caught for the losers, who had seven hits.

All scoring in the second game came in the first three innings. Bowland scored two in the first on four straight singles, and added two runs in the third. Sacred Heart tallied in the first on a three-base error and single. Winner Bill Fowler blanked the Hearts the rest of the way on two hits.

Harold Ellis and Sarki Nigho-hossian divided catching for Bowland. Ray Bushing and Charles Parkinson made up the Heart battery.

**Ornamental Chairs Missing**  
Two iron ornamental chairs were reported missing Monday from the yard of John Fedora, 2916 Grand avenue.

Paul Maykopp, 444 Niedringhaus avenue, reported to police Tuesday morning that an apartment in early morning had been ransacked this week.

Ray Herchelback, Bend road, reported to police that spinner hucups were taken from his 1961 automobile while it was parked Monday morning in a lot at Niedringhaus and Grand avenues.

**Two-Car Collision**  
A collision at 9:30 last night damaged the autos of James H. Childers, 48, of 2949 Iowa street, northbound on Johnson road, and Henry E. Becker, 34, of 2004 Pine street, eastbound on Pontoon road.

## More Staff Members For Local SIU Campus Named

Additional Southern Illinois University staff announcements include naming of eight new members on continuing appointments and six-term appointments.

Two of the new staff members will hold the rank of associate professor in the Science and Technology Division. They are Dr. Harry D. Brown and Dr. Donald P. Squier, Brown, who holds M.A. and Ph.D. degrees from Columbia University, has been serving since 1957 as assistant professor of botany at Loyola University, New Orleans.

Squier, a Stanford University Ph.D., taught mathematics for two years at San Diego State College and then took a position in research at LaLaba.

Appointed as assistant professors are Dr. Orval G. Johnson and Dr. Walter C. Klein, both in the Education Division; Dr. Ann Elizabeth Jones, Humanities Division; and Dr. Lloyd K. Williams, Science and Technology Division.

Johnson's doctorate in education psychology is from the University of Wisconsin. He has been serving since 1955 as director of the psychology department and psychological services in the Lewis County Schools, Chehalis, Wash.

Klein, who comes to SIU from East Texas State College, received his doctorate in health and safety from Indiana University.

Miss Jones, who holds a doctorate degree in English and romance languages from the University of Michigan, has been serving since 1955 as professor of English at the University of California, San Diego.

Williams, whose doctorate in mathematics is from the University of California, is presently professor and head of the department of mathematics at Southern University, Baton Rouge, La.

Approved as instructor in the Social Sciences Division is Miss Eleanor Schwab.

Robert D. Stalder will be a lecturer on a continuing basis in the Science and Technology Division. New lecturers appointed on a term basis are Miss Maud Ellworth, Fine Arts Division; Miss Donna Frost and Richard McKinney, Business Division; and Mrs. Jane Schusky and Noah Lucatz, Social Sciences Division.

Assigned to coordinate the functions of a new general office at SIU's Alton center, Dr. H. Bruce Bruhaker, professor of education, will serve as assistant to the new SIU vice-president for operations, Dr. Clarence W. Stephens.

Virgil Seymour, assistant professor in social sciences, is in charge of the university's general office in East St. Louis. His offices coordinate geographical and mechanical operations of the centers but do not direct the academic programs.

**Avoids Hitting Girl**  
An accident involving three cars was reported to police yesterday at 7:30 p.m. Kathryn V. Gray, 2839 Edwards street, told police she was headed east on Edwards when a girl on a west-bound bike caused her to stop and turn toward the middle of the street to avoid hitting the girl. A westbound car driven by Constantine L. Morris, 8505 Maryville road, also had to stop, and in doing so parked a parked car belonging to Charles Johannig, 2429 Edwards. No injuries were reported.

### CAMPOUT AT BEAVER DAM

Sevier Boy Scouts and two leaders of Troop 91, sponsored by the Nameoki Presbyterian Church, enjoyed a weekend of camping at Beaver Dam near Gillespie.

The time was spent earning merit badges and boating under the direction of Charles Miles, scoutmaster, and Bill Justin, assistant scoutmaster. Scouts on the campout were Frank Halvachs, Terry and Jerry Lybarger, Terry Walfer, Melvin Wheeler, John Evenden and Dennis Duroin.

### ENLISTS IN AIR FORCE

Terrell Gene Johnson, 20, son of Mr. and Mrs. Charles Hoefel, 2418 Waterman avenue, enlisted in the Air Force and left Mon-

day for Lackland Air Base, San Antonio, Tex., to begin his basic training. He is a 1959 graduate of Granite City high school and has attended the Rankin school and a business college in East St. Louis.

A regular meeting of the Derby Auto Club was held Monday evening at the Derby garage, 2018 Iowa street, and officers were elected. Plans were made to exhibit a car at the Tri-City speedway. The next meeting has been set for Aug. 21.

### RETURN FROM VACATION

Mr. and Mrs. Jerry Sladky returned to their home, 4116 Melrose avenue, Monday from a three week vacation that took them through Illinois, Iowa, Nebraska, Wisconsin, Minnesota, Missouri and Arkansas.

They and their children, Valerie, Terry, Judy and Jerry, attended a family reunion of Mrs. Sladky's sister and brother-in-law, Hardy, Aris. Meeting at the home of a brother and sister-in-

law, Mr. and Mrs. Kenneth Anderson, in Hardy were Mr. and Mrs. Ted Anderson and their two children of Redondo Beach, Calif., the Sladkys and Staff Sgt. and Mrs. Edwin Eashon and their four children of Plattsburg, N. Y.

Later on, they visited an aunt in a hospital in St. Paul and also cousins there. While sightseeing at the Dells in Wisconsin, they met Mr. and Mrs. Gilbert Williams of Pontoon road.

### MOTHERS OF TWINS CLUB MEETS AT SUBURB HOME

Mrs. Millie Shulert entertained the Mothers of Twins club in her home, 1836 Spring avenue, Monday evening.

The hostess, who is also the president, conducted a brief business meeting and then games were played, with prizes awarded to Mrs. Melba Grady, Mrs. Helen Rehagen and Mrs. Lee Willis.

A late dessert course was served by the hostess to the prize winners and Mrs. Sally Sladky, Mrs. Shirley Heath, Mrs. Loretta Shipp, Mrs. Betty White, Mrs. Pat Kent, Mrs. Geneva Downing, Mrs. Carol Gendron, Mrs. Elizabeth Niepert, Mrs. Jane Schwartz, Mrs. Leythis Odum, Mrs. Frieda Dine and two guests, Mrs. Rose Leash and Mrs. Donna Jackson.

Mrs. Willis has invited the club to meet with her in her home, 1416 Norwood drive, on Sept. 11.

### PARTY FOR SON'S TENTH BIRTHDAY

Mr. and Mrs. Earl Tucker, 2427 Grand avenue, entertained at an outdoor party Tuesday in honor of the tenth birthday of their son, John.

Games were played, with prizes going to every child there. A birthday cake decorated with the appropriate number of candles centered the serving table. Children attending were Al Stevens Jr., Linda Horland, Danny Mathis, Patty, Michael, Tommy, Joe and Barbara Morrison, the honored guests, brother, Eric and sisters, Sheila and Paula, Mrs. Winnie Tucker, the grandmother of John, and Mr. and Mrs. Pat Morrison.

### WEEKEND CAMPOUT OF PHI BETA TAU CHAPTER

Members of Phi Beta Tau chapter of the Beta Sigma Tau sorority spent the weekend on a campout at Crab Orchard Lake near Carbondale. This was the first picnic and campout for the chapter, which hopes to make it an annual event. The time was spent barbecuing, swimming and fishing.

Those making the trip were Mr. and Mrs. Jack Cook, Mr. and Mrs. Robert Mullenbeck, Mr. and Mrs. Michael Harris, Miss Jewel Harg, Mr. and Mrs. Fremberg, Miss Diane Nemeth, Joe Cariss and Richard Korog.

### State Street Accident

Clarence E. Livesey Jr., 18, of 4549 Walter avenue was pulled away from the curb in the 1700 block of State street Tuesday at 4 p.m. when he collided with a car driven by Warren G. Smith, 40, of 212 Butler road, Venice, police were notified. Both were in northbound.

MRS. DANIEL L. BROWN, the former Anita Holbrook, a daughter of Mr. and Mrs. Leo Holbrook, 2709 Maryville road, who was married Saturday at Sacred Heart Catholic Church.

### Mrs. Virginia Becker, 32, Dies Unexpectedly

Mrs. Virginia Lavena Becker, 32, Rural Route One, Box 103, a lifelong resident of Granite City and the mother of four small children, was pronounced dead on arrival at St. Elizabeth Hospital at 11:15 p.m. Tuesday after becoming ill suddenly at home.

She had been in good health, members of the family said, and had done her laundry Tuesday morning. She had just bathed and was preparing for bed at the time she was stricken, and had not complained of feeling ill earlier. An inquest to establish the cause of death is pending.

Mrs. Becker was born in Granite City, the daughter of Mr. and Mrs. Schley Martin, who survive. She was a member of the Epiphany Beach Church of Christ.

Her husband, Sgt. Harold Becker, an stationer at the Granite City Engineer Depot. Their children are Harold, age eight, Nancy, seven, Mary, five, and Henry, two years old.

She is also survived by a sister, Mrs. Arthur (Evelyn) Ringering, Granite City, and two brothers, Harry Martin, Granite City, and Arthur Martin of Tucson, Ariz.

Funeral arrangements are given in an obituary elsewhere in this issue.

### CONVALESCING AT HOME

Mrs. Anna Felga, 1817 Spruce street, returned home during the weekend from the Jewish Hospital in St. Louis. She underwent ear surgery and stayed at the hospital ten days. She is convalescing at home.

### RETURN FROM EAST

Rev. and Mrs. Goran Shrikian, 921 Niedringhaus avenue, returned from vacation during the weekend. They had spent two weeks in Massachusetts with his parents.

Also returning with them were their children, Anna, Dircchi and Moses Shrikian, and Mrs. Helen Shrikian, 1715 Chestnut street, who had accompanied her brother and sister-in-law. She also visited her parents in Massachusetts.

### BLESSING OF GRAPES AT ANNUAL CHURCH PICNIC

The annual picnic of St. Gregory the Illuminator Church, 1732 Maple street, was held Sunday at the A.R.P. club, 921 Niedringhaus avenue.

The main event was blessing of the grapes by Rev. Goran Shrikian. The majority of the members of the church were present, and also several guests attended.

Football, horseshoes and other games were played. Principal dishes were shishkebab, pilaf and salad. Refreshments were served by the trustees.

### Candy Store Opens Here

The Lady Minerva Candy Co. opened a local retail store Monday at 1341 Twentieth street, across from the Granite City Steel Co. office. It will be open from 10 a. m. to 6 p. m. daily and until 8:30 each Monday and Friday evening. Operators of the store are Mr. and Mrs. Sam J. Neumann. A grand opening observance is planned later.

### Kaiser In Washington On School Aid Bill

Supt. Harold M. Kaiser of the Granite City school district is one of 20 administrators in Washington today to confer with U.S. Senators and urge extension of existing federal aid to "impacted districts."

Aid to the Granite City district under Public Laws 814 and 875, which aid schools that have many children of people employed in non-taxpaying federal installations, has totaled well over a million dollars and currently amounts to about \$100,000 a year.

Another group of about 20 superintendents will confer with congressmen early next week.

This is the second journey to the capital by the group of administrators interested in continuation of the federal programs. The other was made early this month.

The two bills have become an issue in discussions of a proposed general education bill. However, with prospects for general aid dimming, the "impacted" assistance has gained headway in congressional committees.

### Parking Violation Fines

Five motorists pleaded guilty Tuesday in the Granite City police magistrate court on charges of illegal parking and were fined \$1 each, plus costs. They were Gerald W. Baker, St. Louis; J. L. Riley, Richmond Heights, Mo.; Edward Tidwell, Engineer Depot; Glen F. Knight, 2212 Lynch avenue; and Robert A. Burton, Engineer Depot.

### Four Injured In Blast In Good Condition Today

The four Nestle Co. workers still hospitalized after the explosion Aug. 9 remain in good condition today at St. Elizabeth Hospital.

They are Robert Ethier, 2599 Lynch avenue; William Freeman, 15124 Third street; Madison; John Dawson, Glen Carbon; and John Hunsell, Edwardsville.

The next section through Venice, from the north end of Main street, the highway would veer southwest, skirting the river side of Kerr Island, curve back southeasterly to go over the McKinley Bridge approach and also the network of railroad tracks to the east of Main street, thence down to grade and on south to East St. Louis.

This would provide sufficient area for a connecting configuration with Broadway via an underpass under the railroad tracks, thus linking the local streets, the new highway and the Venice-owned McKinley bridge. To do this, part of the last block of Broadway would be re-located a hundred feet or so north of its present junction with Main street. Ramps would be installed for access and egress to the different levels.

Each of these intersections will be widened and the cross streets improved for a short distance. There also will be a connection with Route 151 at the point where it leaves Alternate 67, south of Mitchell.

Curves in the highway will be designed for speeds of 60 miles an hour or more.

### Future Venue Plans

While not included in the first construction phase, the engineers exhibited a projection of their tentative proposal for

A public hearing will be held soon, as required by law, he said, to clear the way for bids and construction. If arrangements can be made the hearing will be in Granite City, he added.

W. Morris III, chairman of the C. of C. committee, after receiving unanimous approval of the project, from his group, offered Riefler "our full support at the hearing or in any other way we might help expedite this highway."

Among committee members present were officials of Granite City, Madison and Venice, Tri-Cities Regional Port District, Bi-State Development Agency and Granite City Engineer Depot. Many have been actively promoting industrial development in the area through which the new highway will pass.

At the conclusion of the meeting, Beebe volunteered: "No city in the country has anything to equal the industrial sites you have here, the large amount of acreage so ideally situated, with river, rail and highway transportation already available. We operate in all sections of the country, and I know this is true."

### Contract Awarded

(Continued From Page 1)

\$3900 a year for the property which it owns. The ground has a 241-foot Madison avenue frontage.

The bids were awarded in Washington, D. C., after study since June by the Post Office Department Bureau of Facilities. Other original bidders and their bids were: Bellemore Homes Inc., St. Louis, \$38,900; Landy & Kite Co., Lansing, Mich., \$41,750; and M. H. W. Develop Co., 2201 Adams street, Granite City, \$45,800.

### High School Registration To Begin In Venice

Venice high school Principal Lewis E. Sabin said today that registration of 1961-62 Venice high school students is to begin next Monday, Aug. 21.

Students who will enroll in the senior class should register on that date, Sabin said. Juniors will be registered on Tuesday, Aug. 22; sophomores, Wednesday, Aug. 23; and freshmen, Thursday, Aug. 24.

Students will be registered at the high school office between 8:30 a.m. and 3:30 p.m. on each of the days listed.

Venice public schools will open on Monday, Aug. 28.

### Nominate Candidates For Roca Fall Sweetheart

Six candidates were nominated Tuesday night for the title of fall sweetheart by members of Black chapter, Roca Young Men's club, meeting at the Moose Club. The candidates' names will remain secret until the results of balloting are made known.

The chapter announced that it needs additional sponsors for refreshment and amusement stands for a Roca-sponsored Labor Day celebration tentatively scheduled for Wilson Park. A concert band and two St. Louis television personalities already are contracted for the observance, the club said.

On Tuesday, a committee was formed to plan a joint Black and gold chapter holiday for late September or early October.

### Strikes Parked Car

Alvin Clarence Holshouser, 68 of 2027 Cleveland blvd., told police yesterday at 6:15 p.m. that he was driving west on East 27th street when a car headed east at high rate of speed, forced him to the right. He struck a parked car belonging to Elizabeth Walsh, 2501 East 27th street. There were cars parked on both sides of the street.

### Animal Shelter Group Urges Adoption Of Pets

The Granite City Animal Shelter Committee met Tuesday evening in the conference room at the city hall. The special session was called and conducted by Mayor Leonard R. Davis to discuss the construction program at the new animal shelter site on Route 67a.

The committee now will meet on the second and fourth Tuesday of each month. Plans for continuing and expanding the animal care program were discussed, with a proposal to encourage adoption of pets receiving immediate approval. Until the new building is completed, the pets available for adoption are being cared for at the city garage, 13th and Adams streets.

Board members present were Mrs. Gladys Chapman, Mrs. Anita Elfrimoff, Mrs. Harriet Jada, Miss Lucille MacLeod, Mrs. Rosemary Meyer and Mrs. Marvel Walker.

### Philosophy Of Selling Topic Of GC Kiwanis

"Know what you're selling, believe in it and never think you're good enough."

Such was the capsule summary of the philosophy of salesmanship presented to members of the Granite City Kiwanis club at Monday night's dinner meeting at the Elks club.

The speaker's voice was originally recorded before a group of salesmen in Richmond, Va., and recreated here with a 45-minute tape recording. He is Red Motley, the country's most successful salesman. Use of the tape was arranged for by Roy Graham, a Kiwanis member.

President Harold F. Karand, Jeff presided at the meeting, attended by 20 members.

### Speeding Charge

Arrested Tuesday at 1 p.m. for speeding at 20th and Iowa streets, Bert L. Meisel, 31, Collinsville, posted \$7 bail and was released.

where a variety of outdoor games and other recreational activities will be going on throughout the celebration.

One of the six "Miss Venice" contestants will ascend the throne of "Miss Venice, 1961" at the end of tomorrow night's activities. Two attendants also will be chosen by the five judges, whose identities will not be disclosed until the time of the contest.

The girls will be judged on beauty, poise, personality, appearance and posture, appearing first in Bermuda shorts with white blouses and then in formal evening gowns.

### Sponsored By Service Club

The contest is sponsored by the Venice Junior Service club.

Entrants are Misses Ginny Foley, 447 Lincoln avenue; Beverly Gene Martin, 431 Lincoln avenue; Jean Hackney, 310 Hampton street; Dolores May, 1317 Robin street; and Shirley A. Johnson, 218 Kerr street; Kay Chowning, 609 Broadway, and Alma Dennis, 127 Hampton street.

A. Johnson, 218 Kerr street. The weekend celebration is the work of the Venice Homecoming and Memorial Association, Venice Lions and Junior Service club.

"While the schools, service clubs and other civic organizations all cooperate to make the weekend a success," Rumpf said, "most of these people are members of the Homecoming Association. Everyone has worked hard to make this year's homecoming a good one."

## Arthur Henry Hager, 73, Succumbs To Cancer

Arthur Henry Hager, 73, of 2818 Edwards street, a 47-year resident of Granite City, died Wednesday at 2 a. m. at St. Elizabeth Hospital from cancer. He had been ill a year, and was hospitalized seven times during that period. He entered the hospital 10 days prior to his death.

Before retiring eight years ago, Mr. Hager had worked 35 years as a metal patternmaker at General Steel Industries. He had spent much of his time since retirement making child's furniture, and was well known throughout this area for his work.

A native of Perryville, Mo., Mr. Hager was a past master of

Masonic Triple Lodge 835 and a member of the Scottish Rite. Survivors include his wife, Florence; a son, Arthur J. Hager of Leawood, Kansas; a daughter, Miss Wilma Hager, Granite City; two sisters, Mrs. Gail Yanke of Evansville, Ind., and Mrs. Cecelia Schroeder, Madison; and two grandchildren. Arrangements are given in an obituary appearing elsewhere in this issue.

## Suffers Heart Attack

George Kromen, 956 Bellevue, St. Louis, husband of Olive Davies Kromen, formerly of Granite City and a music teacher here, is a patient at DePaul Hospital, St. Louis, where he was admitted over the weekend after suffering a severe heart attack at his home. He will be hospitalized for several weeks while recovering.

## William Drew's Mother, Mrs. Holt, Dies Here

Funeral services were conducted at 10:30 a. m. today at the St. Thomas Episcopal Church in Glen Carbon for Mrs. Catherine Holt, 62, mother of William Drew of Granite City. She died at 2:30 a. m. Tuesday in St. Elizabeth Hospital here.

A native of England, Mrs. Holt had lived in Glen Carbon for 38 years. She was married in 1927 to William Holt, who survives. Other survivors include a daughter, Mrs. Alex Oros, East Alton; a son, James Drew, who is with the U. S. Army in Germany; six brothers and three sisters. Mrs. Holt was a member of the St. Thomas Church and the church guild, and also of the

Royal Neighbors of America at Glen Carbon. The Rev. David E. Nyberg, pastor of St. Bartholomew's Episcopal Church in Granite City, officiated at the funeral. Burial was in Glen Carbon Cemetery.

## Mitchell Kiwanis Makes Final Excursion Plans

Final plans were made for a boat excursion of the Mitchell Kiwanis members and their wives at Monday's meeting at Smith Cafe. The trip will be on the night of Aug. 30. Also discussed was the club's baseball program's present status and how it might be improved next year. The club helps sponsor local Khoury league teams. President Smith presided at the weekly meeting, attended by 10 members.

## MORE ABOUT

## Enrollment To Exceed

(Continued from Page 1)

with two buildings. Sacred Heart, the newly-opened school in Glenview will be for students in the first four grades and will supplement the other school. It will teach the first eight grades.

All parochial schools in the Quad-Cities will open Sept. 5 for last year's session, and some will have short school days throughout the first week. Although starting times will depend on whether students attend mass, a tentative schedule follows: St. Joseph's school, 8 a. m. to 3 p. m.; St. Elizabeth's school, 8 a. m. to 3:15 p. m.; both Sacred Heart schools, 8 a. m. to 3:30 p. m.; St. Mark's school, 7:45 a. m. to 3:30 p. m.; and St. Mary's school, 8 a. m. to 3 p. m.

Enrollment at Quad-City parochial schools has been estimated at 1987 compared to 1948 last year. This includes St. Joseph's, 240, over last year's 234; St. Elizabeth's, 450 compared to 416; main Sacred Heart building, 650 against 747; Sacred Heart new building, 100; St. Mark's, Venice, 132 and 134; and St. Mary's Madison, 315 and 317.

**Teaching Force Grows**  
An expanded teaching force for Granite City schools will total 474 this year, including 30 in new positions and 30 replacement instructors.

Supt. Harold M. Kaiser has estimated September enrollment as follows: high school, 1862 compared to 1578 on the opening day last year; Coolidge Junior high school, 1255 against 1453; Central Junior high school, 448 and 417; Prather Junior high school, 724 and 759; Emerson school, 401 and 376; Frohhardt school, 424 and 708.

Logan school, 465 and 409; Lake school, 295 and 301; Marshall school, 568 and 559; Maryville school, 540 and 529; McKinley school, 336 and 361; Mitchell school, 690 and 540; Nankin school, 691 and 624; Niedringhaus school, 480 and 452; Stallings school, 650 and 625; Washington school, 500 and 522; Webster school, 500 and 474; and Wilson school, 553 and 542.

**Full Day Of Classes**  
After introductory sessions Sept. 5 from 9 a. m. to noon at elementary schools and from 8:30 a. m. to noon at junior and senior high school students, a full day of classes will follow Sept. 6 at all Granite City public schools.

For elementary school, the regular day for pupils will begin at 9 a. m. and close at 3:30 p. m. For junior and senior high school pupils, the school day will be from 8:10 a. m. to 3:25 p. m.

In order to review school policies and procedures, the administration has scheduled meetings for principals at 9 a. m. Aug. 29 and 30 at the board of education office; for new teachers at 8:30 a. m. Aug. 31 at the CCHS cafeteria; and for all teachers and principals at 9 a. m. Sept. 1 at the high school auditorium.

The number of attendance days this year will be 90 the first semester, Sept. 5 to Jan. 26, and 88 the second semester, Jan. 29 to June 8.

A total anticipated enrollment of 2847 at the six Madison district schools is only slightly higher than last year's 2828 pupils. In fact, as Supt. Wensel Brown points out, the enrollment has remained between about 2800 and 2850 for the past three years.

**Enrollment Estimates**  
Although accurate figures will not be available until after school begins, a tentative breakdown shows Madison high school with 650 students this year against 630 last year; Junior high, 285 compared to 295; Dunbar grade, 450 and 474; Harris grade, 642 and 632; Louis Baer, 430 and 424; and Blair grade, 390 and 372.

Buses in both Venice and Madison districts will make their regular runs the first day of school, Aug. 28, when all schools will open at 9 a. m. and remain in session until 11:30 a. m.

A meeting for all teachers has been set for 1 p. m. in the high school auditorium.

Regular classes will begin Aug. 29 in Venice and Madison, with cafeteria service opening at noon the same day.

**Class Hours**  
Madison kindergarten hours are 8:55 a. m. to 11:30 a. m. and 12:35 p. m. to 3:30 p. m. Elementary hours are 8:35 a. m. to 3:30 p. m. with a staggered lunch schedule. Junior high hours are 8:30 a. m. to 3:40 p. m. and high school hours are 8:30 a. m. to 3:15 p. m.

A new gymnasium floor is being installed at the Madison Junior high school during the summer, and the interior of the Dunbar annex—which contains home economics and shop classrooms—has been renovated at a cost of about \$30,000.

One new teacher has been hired to teach the third grade at Harris school, Sherry L. Ouseley. Altogether, an army of 87 teachers, seven special teachers and six principals awaits the new crop of students.

Venice expects 869 students. An estimated 869 students at the four Venice public schools include 347 at high school, compared to 130 last year; 95 at Lincoln high against 84; Venice grade, 327 and 341; and Lincoln elementary, 300 and 310.

## Local Draft Quota Doubled For September

Draft quotas at all levels will take a sharp rise beginning in September, including a doubling of local inductions. It was learned today.

For the Quad-Cities, the number of inductions for the coming month will be 14, as compared to six during August. Physical examinations will be increased from this month's total of 29 to a September figure of 60.

Men who are at least 23 by Sept. 1 are eligible for possible induction. Volunteers and delinquents, however, may be younger. For the pre-induction physical examinations, the men must be at least 22 by the beginning of September.

Mrs. Edna Heeren, clerk of Local Board 167, reports that draft delinquents may be placed at the top of the induction list. The local setup reflects a building of Army forces following President Kennedy's statement on Berlin. The Navy, Marine Corps and Air Force are not placing calls with the selective service.

**7% Of National Quota**  
The state-wide draft call for September will be about 1750 men, or 7% of the national quota of 25,000 for the month, state Selective Service Director William Manning said. He stated that 922 men are being called in August.

By the end of the year, Manning said, a draft pool of about 2000 men will be created. The pool had 3473 men at the end of July. For physical examinations, 4961 Illinois men will be called next month.

**Local Induction**  
The 14-Quadrant men will be inducted on Sept. 15, with 60 other local residents being examined on Sept. 22. For Madison county in September, the figures are 165 for examination and 48 for induction. From the Alton area, 60 men will be examined and 20 inducted. From the Edwardsville district, 45 will take the examination and 14 will be drafted.

The local board also noted that Eugene Lamson Kindie has been declared delinquent and that anyone knowing his whereabouts should contact the board office in Edwardsville.

**23-25 Age Range**  
State Director Manning said the men called next month will be in the 23 to 25-year-old range and will be spread among the state's 217 draft boards. About half will come from Cook county.

Married men with children, men in reserve units and men holding jobs essential to defense, Manning said, will continue to be deferred. However, those deferred will receive questionnaires to determine if they are still 1-A.

He estimated that 5000 will be called for physical examinations in October and November.

**Largest Since Korea**  
The September induction call in Illinois is expected to be the largest since June 1953, when 2108 were summoned. The Korean war ended the following month. The nation-wide call of 25,000 is also the largest since the end of the war. In June 1953, the national call was 22,000.

It will bring the total of men drafted since September 1950, immediately following the outbreak of the Korean war, to 2,640,550.

The Secretary of Defense was empowered by the president this week to call up 250,000 ready reservists to active duty for up to a year if necessary. Without presidential approval, however, a reserve unit can be called up only for training.

The September quota, first to show the full-scale military buildup, will go toward strengthening three Army training divisions into combat units.

classrooms at the grade schools for the first day and at the high school auditoriums for an assembly program beginning at 9 a. m. Supt. John Pier said the first morning program at the high schools will be arranged so that all classes can meet briefly before dismissal at 11:30 a. m.

A meeting for all 37 Venice teachers will be held at 1:30 p. m. at the Venice high school assembly room.

When Robert Vickers was promoted to principal at Lincoln high this year, he was replaced by John Bush as industrial arts teacher. Another replacement at Lincoln high is Mrs. Edna Stewart, who will teach English, Spanish and speech. A seventh grade position at Venice grade will be filled before school starts.

**School Hours**  
School hours at Venice kindergarten are 9:15 to 11:30 a. m. and 12:30 to 2:40 p. m. Elementary school is held from 9 a. m. until 11:30 a. m. and 12:30 to 3 p. m.

Venice high school classes start at 8:15 a. m. and dismissal at 3:21 p. m. Lincoln high begins at 8 a. m. and continues until 3:21 p. m.

Several alterations within the Venice district include a new roof on the high school and elementary school, exterior cleaning at Lincoln grade and construction of a parking lot at Lincoln high, plus new lights grade, 327 and 341; and Lincoln elementary, 300 and 310.

### Dow Diamonds Plan Benefit Sale, Projects

The Dow Diamonds of the Dow Chemical Co., held their August meeting Tuesday evening in the plant cafeteria.

A spaghetti dinner was served to 15 members and a guest, Mrs. Ellen Ehler, and the business meeting was led by Miss Carol Ehler, president.

A rummage sale to be held Sept. 9 at the American Legion Home, 1043 Douglas street, Venice, was discussed, the proceeds to be used for charitable purposes.

Announcement was made of the sponsoring of a boy for membership at the YMCA. Plans were made to sponsor two more boys later.

The group will wrap packages for the Salvation Army in December and will conduct a sale of handmade stuffed toys at the plant to raise funds to further its relief work. Chairmen of the latter work are Mrs. Helen Presley, Mrs. Clara Dombach and Mrs. Helen Cullup.

After the business hour, some time was devoted by the group to sewing on the toys. The next meeting, Sept. 29, will be "house" night. This will also be held in the plant cafeteria.

### Shower Honors Jeanette Giese, Bride-To-Be

A bride-to-be of late August, Miss Jeanette Giese, was complimented Tuesday evening at a miscellaneous shower given at the home of her mother, Mrs. Margaret Giese, in the dining room of the Jolly Mill restaurant.

Blue and white were the colors used in the shower appointments, and the gift table held a bride doll. Favors were miniature wedding rings in marshmallow cases.

The guest list included Misses Tina Thebeau, Betty Whitman, Carlene Butler, Ron Baker, Kay Boswell, Karen Hordley, Marcia Hogan, Sharon Little, Ann McMurray, Penny Ballard, Mary Ann Giese, Joyce Traff, Harriet Bond, Mariel Foley, the honoree, and Mesdames Jewel Taylor, Rose Ballard, Mae Hogan, Mary Thebeau, Judy Williams, Betty Schalken, Rose Schult, Jackie Therkle, Bernice Timko, Betty King, Mabel Barnes, Lucia Foley, Golda Walk, Alice Egherton and Carmen Glasco.

The bride-elect was assisted in opening her gifts by Miss Hogan and Miss Ballard, who will serve as maid of honor and bridesmaid at the wedding.

Miss Giese will be married Aug. 26 at Fourth Christian Church in St. Louis to Donald Ballard.

### VISITING PARENTS

Marine Cpl. and Mrs. Atha E. Taylor, stationed at the Marine Supply Center in Barstod, Calif., with their children Robin, Cathy and William Scott, are guests of the bride's parents, Mr. and Mrs. William E. Morgan, 2200 Ohio avenue. The baby, William Scott, will be baptized Sunday at Dewey Avenue Methodist Church. The family will return home next week.

TWINS ENGAGED. Mr. and Mrs. Charles Evans, 213 Briarcliff, are announcing the betrothal of their twin daughters, Judith (left) to Dudley Robertson Jr., whose parents reside at 1733 Courtney blvd., and Joyce (right) to Ronald Felchlin, a son of Mr. and Mrs. Tilford Felchlin, 2024 Manley avenue. Wedding plans are indefinite for both couples.

### Engagement Of Miss Judy Beck Is Announced

Mr. and Mrs. Harold Beck, 2610 Grand avenue, are making informal announcement of the engagement of their daughter, Miss Judy Beck, to Jerry Stagner, a son of Mr. and Mrs. Glen Stagner of Madison.

The bride-to-be is a 1961 graduate of Granite City high school and is presently attending a beautician's school. Her fiancé graduated from the Madison schools and is employed by the Mathews Chevrolet Co. as a mechanic.

### EIGHT AND FORTY PLANS INSTALLATION

Madison County Salon 53 of the Eight and Forty met at the American Legion home in Wood River Tuesday evening, with 13 present. The chaplain, Mrs. Hazel Hinson of Madison, presided over the business meeting and a report of the department convention was given by Mrs. Susie McCoy, the newly-elected chaplain.

Other reports were given by Mrs. Hinson and Mrs. Fannie Ulrich. Plans were discussed for installation of officers to be held next month. Hostesses for the evening were Mrs. Anna Teek and Mrs. Frances Gibson.

Others attending from this area were Mrs. Anna Zalewski, Mrs. Kathryn Fellers, Mrs. Zelma Hart, and Mrs. Audress Brown.

### Grims Observe 25th Anniversary

Mr. and Mrs. George Grimm, 2912 Iowa street, celebrated their twenty-fifth wedding anniversary at a family dinner party given by Mrs. Grimm's mother, Mrs. Laura Chosich, at the Rose Bowl Tuesday evening.

Those present were Geraldine and Kelly Grimm, Mr. and Mrs. Bernard Chosich and sons, Michael and Richard, Mr. and Mrs. John Grobowski and son, Joseph, Mr. and Mrs. Arthur Grimm, Mrs. Olga Vartan and daughter, Diane, Mr. and Mrs. Stanley Grobowski and children, Brian and Laura, the guests of honor and the hostess.

### CALVARY YWA STUDIES LESSON

The Young Women's Auxiliary of Calvary Baptist Church met Tuesday evening in the home of Mrs. Maxine Fuller, 1924 Lynn avenue.

"The Lord Is With Us" was the lesson topic, and taking part in the program were Mary Courtney, Linda Harrison, Frances Wallis, Judy Brooks, Pat Pyrtle, Judy Pfaff and Jo Ann Fuller.

The next meeting will be held Sept. 12 at the church, with Linda Harrison as hostess.

### GUESTS FROM SOUTH

Mr. and Mrs. Conner Hillard, 2610 Edwards street, have been entertaining in their home this week the former's cousins, Rev. and Mrs. Charles Segro and their daughter, Diane, and aunt, Mrs. John Bowen, all of Clarksville, Tenn. The visitors returned to their home Wednesday.

### St. Mary's PTA Resumes Its Meetings

The first meeting of St. Mary's Parent-Teacher Association of the 1961-62 school term was held Monday evening in the cafeteria of the school.

New officers elected and installed at the close of the past year were in charge of the meeting. They are Mrs. Genevieve Chure, president; Mrs. Wanda Schewe, vice-president; Mrs. Therese Sanders, secretary; Mrs. Frances Steiner, treasurer; and Mrs. Polly Tutka, chaplain.

Plans discussed for the school year include a social Oct. 22 in the cafeteria of the school, insurance for the school children.

Mrs. Irene Stolin was welcomed into the PTA by the members present, Mr. and Mrs. Joseph Pingel were guests for the evening.

At the end of the meeting, the new officers served as hostesses to the members present. A social time followed the business meeting. The meetings will continue to be held on the second Monday of each month in the school cafeteria.

### Nominating Unit Named By Class

The August meeting of the Dorcas class of First Baptist Church was held Tuesday evening at the church, 21st street and Delmar avenue, with 20 members responding to roll call.

Mrs. Lena Scarborough, president, was in charge. After the class hymn, devotions were led by Mrs. Effie Johnson and there was prayer by Mrs. Florence Medford.

Mrs. Ola Warren, Mrs. Effie Johnson and Mrs. Edith Seney were appointed members of a committee to select officers for the coming year and the project for the month, a contribution to state missions, was discussed.

Refreshments were served adjournment by the hospitality committee, composed of Mesdames Warren, Marie Wray and Beulah Harrigan.

The class has been invited to the Delmar clubhouse at Alton for the next meeting.

### CURTIS-ACKERMAN WEDDING ANNOUNCED

Dr. and Mrs. Elwood L. Ackerman, 2908 State street, have just announced the secret marriage of their daughter, Miss Elynn Mae Ackerman, to Keith Curtis, a son of Mr. and Mrs. Joseph Rainwater, 2937 Fortune drive. The ceremony took place March 24 in Union, Mo., with a minister of a Christian church there officiating.

The bride graduated from Granite City high school and attended Southern Illinois University in Carbondale. Mr. Curtis, who also graduated from the local high school, is studying at the Alton Residence Center of SIU and is a member of the singing chorus of the Methodist Church this summer. The couple is residing at 2433 Delmar avenue.

### JR. SERVICE EXECUTIVE BOARD BUSINESS MEETING

The executive board of the Granite City Junior Service club met Monday evening at the home of Mrs. Marvin Fitzpatrick, 2941 Wayne avenue and the next summer business meeting.

Mrs. Oliver Jacobsmeier, president, conducted the meeting and reported that a girl sponsored by the club will graduate this week from the Jewish Hospital School of Nursing. She is Miss Shirley Davette and is the first student sponsored by the club in recent years.

Mrs. Fitzpatrick served a late dessert course to Mrs. Jacobsmeier, Mrs. Ted Vrenick, Mrs. Thomas Burns, Mrs. Paul Knecht, Mrs. Charles McConnell, Mrs. Paul Morris, Mrs. Kenneth Rapp, Mrs. Jordan Rapoff and Mrs. Steve Kovar. The next board meeting will be Sept. 11 at the home of Mrs. McConnell, 3013 Wayne avenue and the next and first regular fall meeting will be Sept. 18 at the Elks.

## New Examples Of Quad-Cities' Impact On Wide Area Of Nation

The Quad-Cities' far-reaching impact is illustrated clearly by two instances in the news this week. With a Granite City dateline, Station WCK is daily providing marine radio-telephone service to vessels as far away as the Gulf of Mexico, Pittsburgh and St. Paul. And the Royal Crown Cola Co. plant here is beginning to supply gallon bottles of flavor concentrate to two-thirds of the nation—the entire midwest and west.

It is nothing new for this community to have a strong beneficial effect on a wide area. Local products regularly go to many distant points in the United States and abroad. Yet these most recent examples—soft drink ingredients and radio messages—are significant because they maintain and expand the trend and also afford additional diversification of goods and services.

Where will local growth and productivity end? Probably at a point far beyond the wildest dreams of our founding fathers and even beyond the imagination of present Quad-City residents. The future is almost limitless for, judging by the past, there are few community problems that cannot be resolved with foresight, determination and, in some cases, the passage of time.

The intelligence of a democracy cannot exceed the average intelligence of its voters.

## Issue Before County—Luring Late-Hour Tavern Patrons Other Areas Do Not Want

Few if any Madison county board members want another lawless, wide-open chapter in their county's history, marring its present hard-won reputation. Yet there is growing fear that late-night tavern operations could bring this about, and there is increasing sentiment to return to the more uniform 1 a.m. law. We hope that the supervisors and assistant supervisors recognize the value of uniformity, and we urge the public to make its opinion known before and at the board's next meeting Wednesday, Aug. 23.

It would be extremely unfortunate if cost-conscious county board members—properly interested in balancing the budget—were to let a false economy issue sway them in their vote. Greater sales tax revenue and possibly a liquor license fee increase would mean little in comparison to the total county budget. And it would be poor pay, indeed, for the added expense, notoriety and danger of openly inviting all-night revelers at hours when their home communities do not want them. The only recently-ended experience in Venice—frequent violence affecting not only the participants but innocent persons—cannot and should not be forgotten.

Despite financial problems of the moment, Madison county has no need to be a "playground" for pleasure-bent Missourians. Nor do the infrequently-patrolled rural areas need to serve this function for city residents. When closing times are uniform and no area has an artificial stimulus for business, each establishment can stand on its own merits in attracting patrons.

If local residents feel strongly on this issue, now is the time to make their voices heard, by writing or contacting their representatives on the board and by attending the meeting at 10 a.m. Aug. 23 in the courthouse at Edwardsville.

County board members from this area are as follows: Granite City township—Nelson Hagnauer, 2708 Saratoga avenue, Homer "Cal" Pendleton, 2421a State street, John G. Graham, 1704 Kirkpatrick Homes, Robert Gaughan; 2108 Edwards street, William B. Webb jr., 2804 Idaho street, and Milton R. Allen, 2716 Madison avenue; Venice township—Arthur W. "Cooper" Moore, 1676 Third street, Madison, Jay D. Maurer, 633 Washington avenue, Venice, and Claude Echols, 1435 Fourth street, Madison; Nantook township—Harry A. Briggs, 4263 Lake drive, and Charles Werner, 2020 Sixth street, East Madison; and Chouteau township—Joseph Troeckler, 632 East Chain of Rocks road.

## Reports On Driving Disability Proposed To Cut Traffic Deaths

The rising Illinois traffic death toll is in the background of a suggestion by Secretary of State Carpenter, who proposes compulsory reports by doctors of any disability that might affect a person's driving ability. While most matters between patients and physicians are confidential, there could be some merit in the plan, for driving by those no longer capable endangers themselves and others.

In announcing plans to ask for a law in the special session of the state legislature, Carpenter says a study of thousands of cases indicates that physical or emotional disability is a major contributing factor to highway death and injury. A medical review board would pass on appeals by drivers whose licenses had been suspended or revoked as a result of a doctor's report.

If satisfactory provisions and safeguards can be devised, the procedure would be worth serious consideration. Records for the first seven months of 1961 show 978 Illinois fatalities, a 12% rise over the 870 in January-July 1960.

## Laclede 2nd Quarter Earnings Show Gain

A decrease in net sales and net income was reported by Laclede Steel Co. for the first six months of this year compared to the same period in 1960, but an increase occurred during the second quarter. It was announced this week.

Net sales for the first two quarters this year amounted to \$32,980,417 against \$36,607,942 last year. Net income was \$1,263,112 this year and \$1,665,615 last year, equivalent to \$6.12 and \$8.08 per common share.

A second-quarter increase was noted, with net sales totaling \$19,521,985 against \$18,239,192 last year. The quarters' net income amounted to \$880,331, compared to \$29,116 in 1960. Returns per share were \$4.26 and \$3.54.

In announcing plans to ask for a law in the special session of the state legislature, Carpenter says a study of thousands of cases indicates that physical or emotional disability is a major contributing factor to highway death and injury. A medical review board would pass on appeals by drivers whose licenses had been suspended or revoked as a result of a doctor's report.

If satisfactory provisions and safeguards can be devised, the procedure would be worth serious consideration. Records for the first seven months of 1961 show 978 Illinois fatalities, a 12% rise over the 870 in January-July 1960.

Dr. David Littauer, executive director of the hospital, will preside and the commencement address will be given by Raymond Witteoff, president of Down-

### 100 Warnings Issued On Parking Ticket Fees

Latest reports on one Granite City police crackdown on motorists who have ignored tickets for illegal parking show three persons fined \$12 each, including court costs, plus paying a dollar for each ticket and hundreds more to be notified.

Yesterday, the police were engaged in clerical work as 100 notices were being sent through the mail to offenders. Each notice requests the person to appear before Tuesday and pay his delinquent fines, or warrants will be issued Wednesday.

With thousands of violators' names, addresses and license numbers on file at the police record room, it was estimated that delinquent tickets run into "tens of thousands of dollars." A spokesman for the police department said that eventually those people who owe for one violation will be contacted, but now the police are concentrating on the bigger offenders.

By appearing at the police station voluntarily, drivers can erase violations by merely paying \$1 for each ticket. Otherwise, warrants are issued and fines of \$5 to \$100, plus court costs and the amount of the tickets, result. It was pointed out yesterday that already so many people have voluntarily paid delinquent fines that the August figure for fines collected will far exceed any previous month's total.

Walter Ruzscky, 2017 Lindell blvd., holds the record with 194 tickets. He has paid \$100 and is to make a second payment to end the debt, which in his case consists of \$12 in fines and costs, plus \$1 for each ticket.

town St. Louis, Inc. and Transurban Investment Corp. Sam C. Sachs, vice-president of the hospital, will award the diplomas after the class is presented by Miss Edna E. Peterson, R. N., director of Nursing.

## MORE ABOUT \$5,682,000 Increase

(Continued from Page 1)

grand total of all property values.

**State List To Be Added**  
Neither the \$227,299,585 Quad-City total a year ago nor the new figure of \$232,982,310 includes state-set assessments, which amounted to \$14,329,017 last year for a gross of \$241,628,602. New state assessing of railroads and capital stock has not yet been announced.

The \$227,299,585 final tally a year ago on locally-assessed property represented review board cuts totaling \$704,573 from the assessors' \$228,004,160 listing. The assessors certified \$4,978,150 more this summer than they had last year, because of the revision, the increases currently shown are \$5,682,725 more than the assessment on which the last tax bills were based.

A breakdown by townships and

shows that the \$3,951,095 Granite City increase over last year's final figure includes a \$453,130 review board slash and the assessor's \$3,497,965 increase over what he had listed a year ago; the \$1,002,670 Namoki boost reflects a \$137,140 board cut and \$865,530 assessor's increases; and the \$728,960 Venice township raise includes a \$114,305 board reduction and \$843,265 assessor increase.

**GC Comparison**  
The Granite City property totals released today afford the following comparison, with 1960 assessor, 1960 review board and 1961 assessor figures given in that order:

**Lots.** \$73,838,880, \$73,386,760 and \$76,961,720; personal property, \$57,715,265, \$57,747,235 and \$58,324,140; lands, \$12,400,450, \$12,387,470 and \$12,586,670; and locally-assessed railroad property, \$22,140, same and same.

Venice township's listing in the same order, includes: lots, \$21,775,010, \$21,728,810 and \$21,968,960; personal property, \$28,363,660, \$28,296,295 and \$28,833,675; lands, \$12,206,740, \$12,208,000 and \$12,188,700; and local railroad, \$76,980, \$76,980 (same) and \$75,710.

## Granite City PRESS-RECORD

Thurs., Aug. 17, 1961 Page 13

Namoki township's breakdown of 1960 assessor, 1960 review board and 1961 assessor valuations follows: lots, \$6,040,135, \$6,023,365 and \$6,297,685; personal, \$7,353,880, \$7,247,800 and \$7,907,350; lands, \$7,351,300, \$7,337,170 and \$8,005,970; and local railroad, \$179,600, \$179,560 and \$179,560 (same).

In addition to the amounts determined in each township and reviewed by the county, the state last year added \$1,818,887 railroad property and \$852,500 capital stock in Granite City, \$6,578,508 and \$380 in Venice township and \$4,655,124 and \$122,200 in Namoki township for aggregates of \$146,295,952 in Granite City, \$69,253,351 in Venice and \$26,165,219 in Namoki, making up the \$241,628,602 Quad-City total.

### MISSIONARY SOCIETY MEETS AT CHURCH

The August meeting of the Women's Missionary Society of the Good Shepherd Evangelical United Brethren Church was held Monday at the church.

Mrs. Mary Layton conducted the business session, with Mrs. Martie Meyers and Mrs. Eleanor Casey giving reports. Mrs. Josephine Matthews was elected as chairman of Missionary education for social action. The program leader was Mrs. Dorothy Pollock, who presented, "Live More Like Than One."

"A Charge To Keep I Have" and "Lord, Speak To Me" were sung by all. Hostesses for the month were Mrs. Casey and Mrs. Virginia Railward.

Refreshments were served to the above and Mrs. Jean Thompson, Mrs. Wanda Sherman, Mrs. Emma Bryan and Miss Marie Burgess. The next meeting will be Sept. 11 at the church.

### RUTH CLASS MEETS AT RYAN HOME

The Ruth class of the Calvary Baptist Church held its August meeting in the home of Mrs. Eugenia Ryan, 2808 East 23rd street, Tuesday evening.

The meeting was called to order by the president, Mrs. Lucila Probst. A prayer was offered by Mrs. Goldie Riter. The devotion was given by Mrs. Brooks.

The refreshment table was centered with a bouquet of cut flowers, and refreshments were served by Mrs. Ryan and Mrs. Sue O'Master to the above mentioned and Mrs. Unice Taylor, Mrs. Dolis Schepers, Mrs. Hazel Brooks, Mrs. Gusie Hessman, Mrs. Bea Henry, Mrs. Esther Hoffman, Mrs. Lucy Demery, Mrs. Elizabeth Knight and a visitor, Mrs. Kate Stafford.

Monies of Hawaii and Florida were shown during the fellowship hour. Mrs. Mabel Turnbull will be hostess for the September meeting.

### MRS. HARPER HOSTESS

Mrs. Ann Harper was hostess to the Wednesday Night Musical club Monday in her home. Games were enjoyed, and prizes awarded to Mrs. Martha Strain, first, Mrs. Dorothy Nelson, second, and Mrs. Emma Kalips, third.

The hostess served refreshments to the prize winners and Mrs. Alice Mooshegan, Mrs. Fern Patrick, Mr. Theresa Rhoads and Mrs. Gladys Windsor. Mrs. Strain invited the club to her home, 2853 Forest avenue, Aug. 30.

### WOMEN'S SOCIETY MEETS

The August meeting of the Peace Lutheran Women's Society was held Tuesday at the church, parsonage, 3201 Erin drive. The devotion was given by Mrs. Marian Shelton, and a roundtable discussion on "Commercialism on the Sabbath" was conducted by the program director, Mrs. Carol Gendron.

Plans were discussed for a church pot luck supper at Wilson Park Sept. 10. A fellowship hour was enjoyed, with Mrs. Norma Lawler as hostess and serving refreshments. Others present were Mrs. Barbara Froelich, Mrs. Martha Baker and Mrs. Irene Hileman.

The next meeting will be Sept. 19 at the parsonage, with Mrs. Gendron as hostess.

Mr. and Mrs. B. W. Ahrens and children, Patricia, Michael, Nancy and Debra, 2836 Edgewood avenue, returned Monday following a few days vacation in Sikeston, Mo., visiting Mr. and Mrs. Virgil Fixley. They also visited Mr. and Mrs. Tom Redman, Mrs. Ida Fixley and Mr. and Mrs. Fred Hefner of Advanaco, Mo. On the return trip, Mr. and Mrs. Bert Ahrens of Chester, Ill., were visited.

Mr. and Mrs. Frank Hanfelder returned home this week from a two-week vacation at Jonesboro, Tenn., where they visited relatives.

Mr. and Mrs. George Bugle returned this week from a two-week vacation. Mrs. Bugle visited her son-in-law and daughter. Mr. and Mrs. Robert Rhoads and daughter at Dallas, Tex. While Bugle attended scout activities at the Philmont Scout Ranch, Cimarron, N. M. Their daughter, Mrs. Mary Lou Rhoads, and her daughter returned with them for a visit.

Dr. George Rosenthal of Belleville, well known to Mitchell Presbyterians for his sermons, will be guest speaker at the Presbyterian church Sunday at 11 a.m.

### Mrs. Havener Dies At 89 While Visiting Here

Funeral services were conducted at 1:30 p.m. yesterday at the West Alton, Mo., Community Church for Mrs. Maude Havener, 89, a sister of Mrs. Virgil Walk of Venice.

Mrs. Havener died at St. Elizabeth Hospital Monday afternoon following a paralytic stroke Saturday at the home of Mrs.

Walk, where she was visiting. She entered the hospital Saturday.

One of seven children, Mrs. Havener, nee Martin, was born at West Alton, Mo., where she lived most of her life. Eight years ago, she moved to Troy, Mo. She was active in the West Alton Community Church for many years.

Survivors, in addition to Mrs. Walk, include a son, Morris, St. Louis; a daughter, Mrs. S. L. Via,

**Parking Ticket**  
Madison police issued a parking ticket at 12:50 a. m. Tuesday to Elbert Lee Head, 44, a Terre Haute, Ind., truck driver, charging him with parking on the wrong side of a street. He paid a total of \$5 in fine and costs and was released.

Troy, Mo.; another sister, Mrs. William Acacy, Atchison, Kan.; five grandchildren and five great-grandchildren.

### Surface Of Clark Ave. Improved In Township

Resurfacing of Clark avenue east of Johnson road in Nanticoke township was carried out yesterday, enabling barricades to be removed from a two-block area.

The section had been graded in mid-July before the scheduled application of chips and liquid asphalt was delayed by a construction laborers' strike. An asphaltic concrete was laid on the street too damp for the asphalt.

### Driver Charged With Leaving Scene Of Crash

Bureau Tramel, 1114 Grand avenue, Madison, was released on \$100 cash bail Tuesday at 10 p.m. pending a hearing Saturday before Police Magistrate Andrew Gasparovic Jr. on charges of leaving the scene of an accident.

### Discuss Blood Program

Members of the blood program committee of the Tri-City Chapter, American Red Cross, met last night at the Red Cross office with Larry Neville, regional administrative director of Red Cross blood programs, and Charles Burgett, field representative. Possibilities of increased blood program participation were discussed.

**THEY'RE NEST FRESH!**  
We're most EGGS-acting about them . . .

Just like a woman loves to pick up a vital of perfume, an egg loves to pick up surrounding adoring eggs are sweet, delicate, fragile . . . yet have very porous shells. In August, cantaloupes transmit delightful aromas in the refrigerator, but melon-flavored eggs are not enticing.

We suggest wrapping "lumps" or other pungent odor foods in aluminum foil, before placing in refrigerator. Our Jersey Farm and Hillcrest EGGS are, at all times strictly FRESH and Grade "A". From nest to our stores, they are constantly refrigerated. We maintain the finest, most modern egg-grading and candling system in this area, so fast, so efficient that we deliver them to our stores while they're still "NEST-FRESH" at surprisingly LOW PRICES!

## Over 1960 Classes, 5000 Students At Local SIU

More than 1960 classes have been scheduled at Southern Illinois University's Southwest Campus for the coming school year. Associate Dean Milton Byrd has announced today the printed schedule for the entire year of 1961-62 is available as of Aug. 19 and can be obtained by writing or calling the registrar's office at Alton, East St. Louis or the campus.

The program this year will include mass lecture classes in which the university can make the most effective use of its staff members, Byrd said. Scheduling certain lectures for groups of 75 to 150 students will make it possible to provide master professors even for lower division classes required of most students. Students enrolled in mass lecture classes also will meet in smaller groups of 20 to 25 to discuss problems with staff members.

Special buses will transport day students between campuses at Alton and East St. Louis, operating from 8 a.m. to 5 p.m., the buses will provide more efficient scheduling for courses in which enrollment is normally low, the associate dean said.

**Pupils, Books, Mail**

Making certain courses available to students at both campuses in this manner enables the university to provide a more extensive program at a relatively limited cost, Byrd said. Classes designed for students from both campuses meet only twice a week for one and one-half or two-hour periods. In addition to transporting students, the buses will expedite inter-library book circulation and inter-campus mail service.

Applications for admission to the Southwest Campus are running well ahead of last year.

Dr. John H. Schnabel, registrar, reported.

Judging by applications received to date, SIU enrollment at Alton and East St. Louis will pass the 5000 mark this fall, he said, urging students planning to enter the university to apply for admission as soon as possible.

Registration for the fall quarter will be Sept. 19 and 20 in Alton and East St. Louis.

**Guidance Tests**

Guidance tests for students planning to enter SIU in September will be given eight times before fall quarter classes begin Sept. 21. In East St. Louis, they will be administered Aug. 18 and 26 and Sept. 6 and 9 at 909 Ohio street. In Alton, they will be held Aug. 19 and Sept. 2. It will be repeated.

In East St. Louis, a faculty office building at the corner of Tenth and College streets has been re-wired and fitted with fluorescent lights, and an additional building at 445 N. Eleventh street has been leased to provide nine more offices for faculty members. Negotiations also have begun to acquire additional space for student lounge facilities in East St. Louis.

### HOME FROM FLORIDA

Mr. and Mrs. Willard Beas and son, Mark, and Mr. and Mrs. Don Cook returned home Sunday from a three-week vacation. They motored to Florida, and time was spent at Marine Land, Daytona Beach, and St. Augustine.

They also visited Inlet Harbor, where one day was spent deep-sea fishing. They had the good luck to catch approximately 400 pounds of fish in one day. In Mayport, Fla., they were taken on a conducted tour of the S. S. Shengri-la aircraft carrier. They returned home by way of Chattanooga, Tenn., and the Smoky Mountains.

They also spent a few days at Osage Beach in Missouri, where they were joined by Beas' nephew, Jim Kufner of Springfield, Ill.

### LEPINE LUNCHEON

Mrs. Celi McGee was hostess to a meeting of the Lepine club Monday evening at the Grand Cafe. The ladies were served a two-course luncheon, and the remainder of the evening was spent at games.

Prizes were awarded to Mrs. Kathryn Fellers, Mrs. Myrtle Fields, Mrs. Andrea Brown and Mrs. Ora Anderson. Other members present were Mrs. Hazel Painter, Mrs. Naomi Bolling and Miss Catherine McGee. Hostess for the next meeting will be Mrs. Painter.

### HOMEMAKERS MEET

The Homemakers class of the United Baptist Church met Tuesday evening in the church basement. Mrs. Mary Metzger presided over the business meeting, and the roll call was answered with a Bible verse. The Scripture was read by Mrs. Mary Anderson.

It was decided to appoint a nominating committee at the next meeting. Mrs. Irene Todd was hostess for the evening, and Mrs. Gene Wilkinson, 1011 Third street, the above and Mrs. Juanita

### Beyer and Jayne and Jay Metzger

Rev. and Mrs. Craig Dillman and children, Carolyn, Karen, Joyce and Boyce, spent the weekend in Paoli, Ind., where they attended a family reunion on Sunday. Rev. Dillman was also the guest speaker for the morning worship service at the United Interdenominational Church in Paoli.

### HERE FROM CALIFORNIA

Mrs. Marilyn McBride and children, Jeffrey and Trade, arrived Wednesday for a visit with her parents, Mr. and Mrs. Milton Morris, 711 Broadway, and other relatives. Mrs. McBride, who resides in Costa Mesa, Calif., has been visiting with her husband's parents, Mr. and Mrs. Mickey McBride of Ada, Okla., and traveled here by plane.

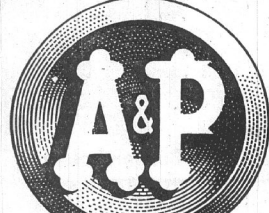

Lance Cpl. Ronald Wilkinson returned to Camp Barstow, Calif., Sunday after spending a leave with his parents, Mr. and Mrs. Gene Wilkinson, 1011 Third street.

### ATTENDING REUNION

Approximately 125 persons attended a reunion of the Grimes family Sunday in Pittsfield, Ill. Those attending from this area were Mr. and Mrs. Virgil Grimes, Mr. and Mrs. Fred Rumpf and children, Terry and Christine, Mr. and Mrs. Gene Wilkinson and children, Pat, Doris, Dorothy, Kathy, Ricky and Mark, and Willie Stover, all of Venice, Mr. and Mrs. Lester Grimes and family, Peggy, Michael, Allen, Phillip, Susan, Sally, Joanne and Becky, of Madison, and Mr. and Mrs. Bud Grimes and children, Steven, Donna Jo, Donald, Robbie and Kathleen, of Granite City.

MORE ABOUT

Gibson,  
Cruse

(Continued from Page 1)

created by the county board July 19. The majority group has chosen prospective committee-men, and Gibson reports that other names were decided on at an Aug. 19 committee meeting, which he says about ten attended.

**Plan Regular Meetings**  
While Gibson says the minority is larger, Cruse describes the current division among the 26 committeemen as 21 in his favor and five for Gibson. Cruse told the Press-Record, "Never before in my memory has there been such a large majority in agreement in the Granite City committee. We plan to hold regular meetings on the second Wednesday of each month, which has never been done before, and to appoint committeemen, also never done before."

"There will be no one-man rule," Cruse promised. "This is a political organization, but we plan a civic affairs committee to help on such things as the master drainage program—not to run it but to help if we are called upon."

He expressed confidence that the majority group will be able to rule, while Gibson said its actions are subject to county Democratic ratification, which has not yet occurred.

**Statement By Gibson**  
Gibson's statement follows: "Democracy has left the Granite City Democratic committee."

"Not only was I not notified or invited to Sunday's meeting, neither were at least 10 other committeemen who disagree with Cruse."

"When I was first elected to the chairmanship of the Granite City Democratic committee, some of the persons who are part of this power play complained that meetings of the committee were being held and they were not being notified—because they didn't agree with some of the policies of the leaders at that time. Now this practice is being adopted by these same people."

**Patronage Dissatisfaction**  
"This action is apparently precipitated by the procedure of filling the vacancies on the committee, and also the dissatisfaction of the number of patronage jobs being allowed Granite City."

"This same group complained a few years ago that all vacancies were filled by one man, and no one else had a voice in their selection."

"After being elected chairman, I helped work up and supported a resolution to the County Democratic Convention to establish uniform procedures for the whole county."

"This resolution outlines the present system, that being that at a regular committee meeting the names would be submitted for approval and recommendations to the County Executive Committee. This committee would then either approve or disapprove, and if they approve would then recommend these names to the county clerk, who would place these persons on the official list of committeemen for the county."

**Courtesy Procedure**  
"Also understand as a part of this procedure, although not spelled out, was that when a new precinct was formed, the committeemen elected to represent that territory would be given the courtesy of recommending the person to fill the vacancy. In fact, this is the way Von Dee Cruse got on the committee."

"One of the ironies of this situation is that in spite of the protests of some of the present members of the committee, I insisted on this courtesy and named Von Dee Cruse myself to the committee—the No. 1 political mistake of my brief career."

"The patronage problem cannot be blamed on any individual political official or committee, and this group is only going to add to the confusion."

"Cannot Be Recognized"  
"No group meeting, as these persons have held, can be recognized as the Democratic county committee—even though a majority of the committeemen may attend."

"If I had resigned, I should be replaced by the vice-chairman, who was elected at the time of organization, not Von Dee Cruse. Although these meetings are embarrassing to the party, they are also illegal. And they are certainly undemocratic when all the members of the committee are not invited to participate."

Parents Of Third Child  
With Same Birthday

Mr. and Mrs. James Blakeburn, 1912 Sleen street, are announcing the birth of their sixth child, a daughter, Mary Nolan, Sunday at St. Elizabeth Hospital. The infant, who weighed eight pounds, seven ounces, is the third child of the couple born on Aug. 15. A sister, Joan Evelyn, seven, and a brother, Ernest, two years old, will celebrate their birthdays on the same day as the latest arrival in the family.

The reckless driver and his new automobile are soon parted.

## KEEP YOUR WILL CURRENT AND HANDY

Does your will know where your will is kept? Is it kept in a safe place?

Consider the case of John Smith, When John died, his wife, children, and attorney knew that he made a will, but none of them knew where it was kept.

After a diligent but unsuccessful search of all the places where John customarily kept valuable papers, the attorney was resigned to the difficult task of attempting to prove in court that there had been a will, what its terms were, and that John had not purposely destroyed or revoked the will.

Several months later, Mrs. Smith came across John's will in a drawer of an old desk that had been stored in the attic of their home. The fact that the will was marked by a pencil mark and an ink blot, both markings appeared to have been made as a result of keeping the will in a cluttered desk drawer.

**Question Validity**  
The attorney told Mrs. Smith that without evidence of how the markings got onto the paper, there was a possibility that the will had been altered. John would have had to attempted to strike out certain words on the first page.

Eventually, after many hours of anxiety on the part of Mrs. Smith, the court approved John's will, notwithstanding the markings on it.

Wills are "touchy" documents. The problems presented to John Smith's family were due chiefly to his inattention to the safekeeping of his will, and caused considerable inconvenience, consternation, delay and unnecessary work, which could have been avoided if John had simply placed his will in a usual place of safekeeping, such as a safety-deposit box, and had several responsible persons such as his wife and lawyer, of its whereabouts.

**Will Becomes Obsolete**  
Another thing to remember about your will is that it remains as made. Your status, interests and responsibilities may change but your will does not. Consider what happened in the case of Bill Brown. He made his will in 1940, when he was 35 years old. He was married and had two children.

With his attorney, he worked out a plan to leave his house, several parcels of real estate and the proceeds of his insurance policies to his wife, and to leave the rest of his property to his two children.

**Girl Escapes Injury**  
Julie Kraus, 14, of 2304 East 21st street escaped injury Monday night when the bicycle she was riding struck a car driven by Fred W. Law, 38, of 3708 Fair Oaks drive. Law was making a right turn into a parking lot on 21st street between Nash and Monroe streets when the girl rode out from behind a parked car.

**Unnecessary Noise Arrest**  
Rosa Wayne Connor, 18, of 2603 Harding street, was arrested at 2:30 p.m. Tuesday by Madison police at James and Reynolds streets for making unnecessary noise with a motor vehicle. He posted his driver's license as bond.

**Grimm Infant Named**  
The infant son of Mr. and Mrs. Daniel Grimm, 1713 Maple street, has been named Richard Lynn. The baby, weighing seven pounds, 13 ounces, was born July 31 at a hospital in Centerville, Ill.

children. As the plan stood, it seemed quite desirable, but subsequent events made quite an alteration on it.

In 1948, Bill took an opportunity to go into business for himself and to raise capital for his few real estate holdings. It is interesting to observe that if the business venture prospers and Bill then dies, his wife may get only a small share of Bill's estate, because his interest in the business would normally be treated as personal property, as would any income which he had saved.

**Need For Revision**  
The lesson to be learned from Bill's case is that, if after you have made your will, there occurs some material change in your circumstances, it is wise to consider whether the provisions in your will still reflect your desires.

A change may occur in the make-up of the family through a marriage, divorce, birth, death, adoption, acquisition of foster children or sickness of spouse or child.

Changes may likewise take place in the nature and size of your property holdings. By Illinois law, marriage usually results in the change of but a divorce does not normally have that effect.

**Consult Attorney**  
Wills are usually drafted in reliance on changeable circumstances. It is this rather delicate to anticipate the changes which might occur in the future, but all contingencies cannot be provided for.

Each person owes it to those he will leave behind to prevent, if possible, the uncertainties of the future which often occur at death by making the inadequacies of a will made years ago.

However, no attempt should be made to alter or add to an existing will without the advice of your attorney, who knows how it may be legally accomplished.

**Pamphlet Available**  
The Illinois State Bar Association, 420 South Second Street, Springfield, Ill., has published a pamphlet entitled "Wills, Their Importance and Why You Should Have One" which will be sent free to any person who requests it.

**McCambridge Collision**  
Cars driven by Alan Pollack, 67, of North Little Rock, and Forrest S. Widows, 31, of 2917 Buxton avenue collided on Edwardsville road near 36th Cambridge avenue at 7 a.m. yesterday. Slight damage to both was reported.

**Fined After Fight**  
Andrew Adam, 1012 Logan street, Venice, was assessed \$20 in fine and costs in the court of Venice Magistrate Wesley Edwards Monday night on a charge of peace disturbance. He was arrested by sheriff's deputies the previous day following a fight in Eagle Park Acres.

**Broadway Collision**  
No injuries were reported in an accident yesterday afternoon on Broadway near McKinley avenue, Venice. The car of Charles Warren, 207 Hill street, Eagle Park Acres, collided with a truck driven by Cecil W. Plummer, New Haven, Mo. Both were westbound.

## ASKS FOR ANSWER ON STATUS OF POOL

To the Editor:  
Another issue of the Press-Record is out and still no reply from Madison officials concerning the swimming pool. Why do you remain silent? Could it be you're stalling for time? Winter will be here before long and I must admit interest in swimming is at a low during the winter months.

It could be that two previous articles and this one are being ignored by the person or persons concerned with this issue. I would rather hope that this would not be the case.

Again I will ask you as bluntly as possible, are we the citizens and taxpayers of Madison going to be able to swim in our pool, or are we always going to have to wade and make incorrect guesses as to the closing of our pool?

Do we parents of Madison have to continue to add to the needless drawings of our children year after year, because of unsupervised and unsafe swimming areas? Who is going to answer for these things?

Why does Madison have to take a back seat to other cities that are swimming pools? We can always brag about having the only waterless pool in the county. The swimmers of Madison are so superior that they don't need water, they can swim on imagination and memories. Isn't this rather ridiculous to constantly ignore the needs of the citizens?

How in the world do you expect to solve the issue, unless you have the question put into the open and answer them to the best of your ability?

Please, Madison, don't continue this "mum's the word" attitude. Be firm on all your commitments, but be just and considerate.

Interested Madison Citizen  
JOHN B. MOSS,  
2012 Omaha st.

## Two Charges Filed

Orville Copeland, 41, of 1735 Delmar avenue, was arrested at 11:30 p.m. Wednesday for creating a disturbance and being drunk in the 1400 block of 18th street. He was released today at 8:30 a.m. on \$32 bail.

## Short Circuit Fire

A short circuit in the attic of a four-room frame house in the year of the lot at 2870 Iowa street started a fire yesterday at 10:15 p.m. A spokesman for the fire department estimated \$300 damage to the dwelling, owned by George Alberson of that address.

## Rocks Thrown At Cars

Police received a report Tuesday at 1:45 p.m. that boys were throwing rocks at passing cars in the 800 block of 24th street. An investigating officer located the boys and sent them home.

## Enters St. Luke's

Mrs. John Wilson, 2537 Lynch avenue, entered St. Luke's Hospital in St. Louis Wednesday to undergo extensive tests and surgery.

Sometimes it happens that a backward glance is the only sure way to look into the future.

Both Granite City motion picture theaters are cooperating in the city clean drive, it was reported by Alderman Charles Sparks, chairman of the city council sanitation and health committee.

He said they are running slides which say "Come on overboard; get the spirit. Make Granite City a cleaner, healthier place to live."

The ninth birthday of Evelyn Pierce was celebrated at a party given this week at the home of her parents, Mr. and Mrs. Ivan Pierce, Fifth street, Madison. Attending were Nora Mae Anderson, Helen Cook, Lois Mae and Patricia McClanahan, Ruth Jean and Peggy Pierce, Doris and Frank McGeehe, Janet, Betty Lee and Fred Miller, Catherine, Billie, Doris and Virginia Ann Smithers, Beverly Harland, Darjule Green, Clyde Maxon, Gertrude Maeger, Harold Williams, Wayne Pierce, Fred Rollins, Mrs. Pete Ziegler and Mrs. Robert Myers.

# 25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record:  
Salary increases for teachers and janitors totaling about \$7000 annually were approved Tuesday night by the grade school board of education. The increase represents an average of nearly 7% for each employee.  
The increase will raise the \$100 minimum monthly salary to \$107.50. Affected are 101 teachers, 12 janitors, the school nurse and several office workers.

Preliminary plans have been completed for the annual YMCA campaign for operating funds. Louis Buegger, past president of the "Y," will be general campaign chairman.  
The steering committee of the drive consists of Paul Grigsby, Arthur Rosman, Harry Johnson, H. M. Rishel, Dawson Pugh, Mr. M. Eisenmayer, R. W. English, Dr. H. Epstein, Herman Huxel, E. F. Varnum, Mrs. Ed Pauley, Victor Koenig, F. H. Alexander, G. W. Hoelscher, and Mrs. H. Epstein. Drive goal is \$6000.

R. W. Massey has been selected as chairman of the annual Salvation Army drive which will be held in Granite City in two weeks. Goal is \$2500.  
Working with him will be Charles F. Ranch, field representative of the Salvation Army and a cousin of Miss Mary Blackburn, a speech teacher at Granite City high school. Arthur Roseman is president of the local Army board of directors.

O. T. Bigham, newly-elected superintendent of the First Baptist Church Sunday school in Madison, will meet with committee members at the church tonight to nominate Sunday school and church officials, who will be elected at the annual election meeting in September. Committee chairman are Emerson Williams, Mrs. Gertrude McManaway, Miss Nora Rogers, Mrs. Henry Cruch, Louis Reynolds and Rev. Harold Harsh.

Miss Shirley Mae Hornberger, daughter of Mr. and Mrs. H. F. Hornberger, 2718 East 24th street, was honored at a tenth birthday party given by Mrs. Ida Canel at the Hornberger residence.

Present were Patsy Hewitt, June Graham, Lois Egley, Jeanne Sparks, Peggy Sparks, Edna Frazier, Rosemary Muttash, Marjorie Janney, Joyce Evans, Mary and Margaret Finney, Jane Kogale, Naomi Cui, Flora Lindsey, Barbara Atchison, Betty Sybert, Shirley Wiseman, Betty Walker, Doris Lesman, Doris Raub, Kathryn Schmarre, Frances Kusals, Lorn Elliott, Betty, Axline and Shirley Mae Hornberger, Mrs. Fannie Adkins and Mrs. M. F. Hornberger.

Starting of work on resurfacing Third street in Madison was delayed last night when the large board rejected all bids for materials and called for rebids on all items. Originally, ten bids were submitted.

The Philatella class of the First Baptist Church met Tuesday evening in the social rooms of the church with Mrs. Grover Norwood, Mrs. Charles Worster, Mrs. Dallas Miller and Mrs. Harry Fossick as co-hostesses.  
Refreshments were served by Mrs. Cora Compton, Mrs. Ruby Holly, Mrs. Thelma Taylor, Mrs. Roy Hitt, Mrs. Charles Turner, Mrs. R. Abbot, Mrs. D. F. Phelps, Mrs. Fred Fossick, Mrs. M. J. Harlow, Mrs. Ernest Dugan and Mrs. J. S. Welms.

The August meeting of the Mary and Martha society of St. John's Church took place Wednesday afternoon at the home of Mrs. Arthur Roman on Rural Route One.

Members attending were Mesdames John Brockman, Elmer Branding, Homer Huber, John Harbig, Edward Homert, Lena Link, Fred Pufalt, Clarence Proper, Charles Ritchie, Edward Rudolph, Lawrence Stegmeier, Emil Schmidt, Paul Schoppe, Edward Truchel, Henry Thies and Misses Mary, Henrietta and Caroline Branding.

John Bloodworth celebrated his eighteenth birthday Monday night with a party.

Among those present were Cecil Fricker, Lyle Brunett, Dorothy Moore, Lynn Blumworth, Frances Reidelberger, Freddie Cover Jr., Georgia Bond, Herschel Crawford, Eva Knowlton, William Harrison, Dorothy Rhodes, Charles Ragan, Evadne Sexton, Joe Bloodworth, Wanda Sexton, Harold Adams, Virginia Gitting, Harold Pendleton, Ruth Ann Gitting, Roy Pendleton, Dorothy Stoppokite, Earl Matthews, Thelma Stoppokite, Doris Ritchie, Willard Handcock, Robert Briggs, Mr. and Mrs. Julia, Lorraine Lewis and John Bloodworth.

Dr. Clark R. Vost, president of McKendree College, will occupy the pulpit Sunday of the Netheringham Memorial Methodist Church, while Pastor Rev. Roy N. Keen is on vacation.

Since government bonds were placed on sale for individuals in March 1935, Granite City residents have purchased a total of \$138,712 of the bonds.

**John Heath Jr. Aboard Cruiser In Far East**  
Serving in the Far East aboard the heavy cruiser USS St. Paul, operating out of Yokosuka, Japan, is John E. Heath Jr., Navy fireman, son of Mr. and Mrs. John E. Heath sr., 2235 Fourteenth street.  
The St. Paul, flagship of the Seventh Fleet, returned to Yokosuka this month after making a five-day goodwill visit to Otaru, on Japan's northeastern island of Hokkaido, and to Saeboro on the southern island of Kyushu. Crowds during the Otaru visit were the largest to tour the cruiser since it became Seventh Fleet flagship in mid-1959.

The Madison county board of supervisors yesterday increased the number of precincts in Granite City from 12 to 14 on a resolution submitted by Supervisor B. Frank Bennett.

The extra precincts will be established in wards six and seven, where the present population is too heavy for one polling place. It was noted at the meeting.

A talking picture, "The Story of Steel," was shown to members of the Granite City Rotary club Tuesday at Granite City Steel Co. by an employee of the company, N. P. Yeeder.

MRS. LEOA TUCKER  
1224 Edwardville Road  
TR. 6-7227

Rev. R. D. Shaw and daughter, Becky Jo, motored to Gauleyburg, Ill., Tuesday morning to join his wife and son, Mrs. Shaw and Robbie Jon Shaw, who had been visiting relatives there for a few days.

### VISIT IN TENNESSEE

Mr. and Mrs. Lemuel Ellege, 1807 Ferguson street, and Miss Barbara Stages of Edwardville road spent the week-end in Clarksville, Tenn., to visit Airman first class Charles Ellege, who is stationed at Fort Campbell, Ky., temporarily.

Ellege returned home with them, and returned to his base on Monday evening. Enroute here, they stopped over at Lutesville, Mo., and visited his grandparents, Mr. and Mrs. Charles Ellege.

Mr. and Mrs. Kenneth Bone and son, Scott Alan, and Mr. and Mrs. Clyde Bradshaw and children, Mark and Barbara, returned home Sunday night after visiting at Clearwater, Lake Mo., and in Van Buren and Elington, Mo., with relatives.

Mr. and Mrs. Harold McClelland and Mr. and Mrs. Lloyd McClelland returned home Sunday night after visiting in Troy, Mo., with Mr. and Mrs. Marvin McClelland and family and Mr. and Mrs. Frank Meyers.

Mrs. Ola Burris of Reynolds street spent the weekend in Eminence and Alley Springs, Mo.

David Davis of Meridian street entered St. Elizabeth Hospital to undergo surgery Monday.

### VISITS IN ARKANSAS

Mrs. Florence Bond of Meridian street has been visiting a sister, Mrs. Mattie Miller, in Rosie, Ark.

### HERE FROM MICHIGAN

Mrs. Theda Kahn and sons, Dick, Jim and Marty, of Detroit, Mich., have been visiting her mother, Mrs. Leona Pyles, and other relatives.

### CHOOSE NAME FOR INFANT

Mr. and Mrs. Carl Cucuati of Rhode avenue are announcing the arrival of a daughter August 11 at St. Elizabeth Hospital. She has been named Angela Lynn and weighs seven pounds, eight ounces.

### Struck With Beer Bottle

George Patterson, 35, of 3200 Aubrey avenue, reported to Madison police at 1:10 a.m. today that he had been visiting the head with a beer bottle at Ralph and Charlie's restaurant on Fourth street. He said he did not see the person who hit him, as the blow came from behind. He was taken to St. Elizabeth Hospital for first-aid for a scalp wound and released. Authorities are investigating.

### Hearing Continued

A continuance was ordered in a hearing scheduled Tuesday for Simon Blada, 72, of 2038 Fourteenth street, who has pleaded innocent to a disorderly conduct charge, filed by Mrs. Viola Morgan. The new hearing date is Aug. 23.

## Construction Strike Ends

building of the Plaza shopping center on Nameoki road, and most residential construction. A \$15,000 Back Pay Issue.

Back pay estimated at upwards of \$15,000 is at issue in the furnace construction dispute, dating back to the spring of 1950.

Main issue in final stages of

the talks between Local 397 and the SIBA, it was resolved partially with Tuesday night's joint contractors' and laborers' memorandum. Local 397 spokesmen said they were unable to obtain a similar agreement with Koppers.

Smith Hayward, project manager, said about 225 men — 40 laborers and 185 other workers — have been at work on the furnace construction for about two months of work remaining.

The work force includes bricklayers, boilermakers, electricians, ironworkers, operating engineers, pipefitters and insulators, but reports indicated that some have been assigned elsewhere, enabling them to work

while the strike is in progress.

No Talks Scheduled

No negotiations have been held since yesterday's work stoppage, and no talks are scheduled at present.

The premium pay of 25 cents an hour involved in the dispute has been paid to laborers actually carrying bricks, but has been withheld on most ramp scaffolding and foundation work. It was learned.

### Truck Hits Bicycle

Stephen L. Perry, 14, of 435 Tennessee avenue escaped injury Tuesday afternoon when he was struck by a truck while riding his bicycle on Route 66 and Lennox avenue, Mitchell. State troopers said the bicycle added to loose gravel while on the shoulder of the road. The truck, driven by Clyde Foster, 60, East Alton, averted and braked but struck the rear wheel.

Harold Gangstath and John P. Patton, builders and contractors' association managers, represented the contractors, with G. H. Sternberg heading the contractors' committee.

### Minimum Teacher Pay Boosted By New Law

About 4300 Illinois teachers, mostly in the southern part of the state, will get salary increases under a bill signed this week by Gov. Otto Kerner. It will raise by \$6000 the minimum yearly salary of teachers.

Most of the 73,000 teachers in the state already are making as much or more than the new minimum. For the remainder, the new levels will be \$3800 for a teacher without a bachelor's degree, \$4000 for those with a degree and 120 or more semester hours, and \$4200 for those with a master's degree in 150

hours.

Kerner also signed a measure removing the present \$8000 annual salary limit on teachers' pension credits.

The governor vetoed a bill which would have cut down on out-of-state contracting on food equipment and material used by state institutions. The measure provided that low bids on equipment and materials for construction and repair of state institutions (and for purchase of food) would have to be awarded to an Illinois firm if the figure was not more than 5% greater than the lowest out-of-state bid.

The governor has nearly 500 more bills to consider.

Enthusiasm? Surprise? Excitement? Sure, wouldn't you be? State Farm has added new benefits for its careful-driving Illinois policyholders. State Farm policyholders are entitled to these new benefits as in effect right now. They're only mildly surprised, however... State Farm has added new benefits before without increasing rates. But, they're really excited, and you will be, too, about the benefits added to State Farm's coverage. Two new Safeguards against Cancellation and Surcharge give written protection against cancellation due to accidents. State Farm's low rates will stay low on surcharges as a penalty for accidents or traffic violations. And, there are five more additional benefits. Call me today or stop in for more information.

# Organized At Meeting Monday

# League of Women Voters To Study Local Government

Granite City now has a League of Women Voters. On Monday night the provisional or apprentice league was begun, after two state officers noted that all preliminary requirements had been met in the three months of preparation. Five officers and a board of directors were elected at the meeting.

President of the local league is Mrs. Emily Senoff. Other officers are Mrs. Helen Bergfield, first vice-president; Mrs. Helen Meyer, second vice-president; Mrs. Elvira Thurber, secretary; and Mrs. Helen Broadway, treasurer.

Board of Directors  
New directors and the committee they will head are Mrs. Betty Veas, voters' service; Mrs. Muriel Vehl, public relations; Mrs. Nina Bigley, membership; Mrs. Mary Evans, program; Mrs. Annalee Reeves, foreign policy; and Mrs. Elma Hoover, local agenda. The post of financial committee chairman was not filled.

Elected to the nominating committee were Mrs. Dorothy Partney, Mrs. Louise Miller and Mrs. Peggy Malone. State officials at the meeting were Mrs. R. W. Jones of St. Charles, chairman of the state new leagues committee, and Miss Barbara Cable of Chicago, state organizing secretary.

Officers of two area leagues also were present and explained organizational procedures. Attending from the Alton league were Mrs. Ambrose Schraeder and Mrs. Lester Klops, while Mrs. Robert Chapman represented the league at Belleville. The two groups have been organized for 13 and 19 years, respectively.

The two state officers noted that the local women had secured 36 members — one more than the minimum — and had provided for a nonpartisan board. These requirements along with adequate city-wide representation were the major preliminary requirements.

As its first major project, the group will undertake a "know your city" campaign for Granite City. This will entail analyzing the city government, evaluating its efficiency and making recommendations.

In resumes similar to that done by Southern Illinois University for the city, local leagues study their home governments for about a year and then prepare booklets containing the information they have gathered. Twenty-five women plus the five guests attended the meeting.

# Top Field of Midget Pilots At Speedway Here Tonight

Names familiar to big car racing fans, including A. J. Foyt, Parnelli Jones, Jimmy Davies, Arnold Knepper, Jim Hurtubise, Rex Easton, Leroy Warriner, Gene Hartly and Shorty Templeman, will be on hand tonight for the first midget auto racing card of the season at the Tri-City Speedway.

The races are being promoted by Joe Shaheen of Springfield, Ill., and will be sanctioned by the United States Auto Club. These and other top drivers were the attraction at races held Monday night at the St. Charles, Mo. speedway, and will go on to Springfield following tonight's events at the local track.

Time trials will begin at 7:30 p.m. Racing is scheduled to get underway one hour later, and will include a 50-lap feature event. Shaheen said a field of 18 Offenhausers and Fords is guaranteed to be on hand. Admission will be \$2.

The local speedway, located on State Route Three near Mitchell, will seat 5400.

Foyt, of Houston, Tex., is probably the best known of the competing drivers, since he won the 1961 Indianapolis 500-mile race for big cars.

Bob Wente of St. Louis and Knepper, Belleville native, are among local drivers expected to take the wheel. Hurtubise, 1960 big car "rookie of the year," Jones, Easton and Templeman all have driven in the big Memorial Day race.

## Madison Will Begin Issue Of Football

### Equipment Tomorrow

Madison high school head football coach Glen Pickering said today that his staff will begin the issuing of equipment at 9 a.m. tomorrow, as the Trojans begin preparations for another grid season.

Equipment will be issued between 9 a.m. and 4 p.m. tomorrow, Monday and Tuesday. At the same time, football and cross-country hopefuls will pick up physical examination cards from the coaching staff, Pickering said.

The physical checkups, required by law, will be administered to athletes at 8:45 a.m. next Wednesday in the office of a Madison physician.

Pickering, who will begin his second season as Trojan grid mentor, has scheduled the first pre-season workout for Monday, Aug. 28.

Madison will open its 1961 football schedule at home, meeting Edwardsville's Tigers under the lights on Friday, Sept. 15.

# Pressure On I-C's Top Four Teams As Season Enters Final Five Weeks

The wheel of fortune spins around and around this week and stops at the space marked "Collinsville Boosters," the club whose turn it is to pick up the no-effort victory in the Inter-City Baseball league on Sunday.

The Boosters, only club with a chance of making Moose Lodge of East St. Louis conscious that there is a race for the Red Division title, have drawn White City as their weekend opponent. But White City has withdrawn from the league, and Collinsville will win by the forfeit route Sunday afternoon.

This necessarily puts more pressure on the Moose, who lead John Harrison's club by two games, but could see that bulge shrink to one game if the Moose fail to get by Carpenter, Glen Gjurich's club will not gain any ground; that is a certainty. But it should have little trouble with Carpenter, tail-end club in the Blue loop with a 3-14 record.

Another last-placed organization—with the same 3-14 record—furnishes the opposition Sunday for Mercer Union's Home at Wilson Park. Maryville will oppose Olle Miller's Clan, which kept busy by playing an exhibition contest last Sunday after its scheduled encounter with White City was abruptly canceled.

## 7th Annual Swimming, Diving Meet Is Scheduled Aug. 26 At Park Pool

Ten swimming events and contests for boys and girls through 16 years of age who are residents of the park district.

Those 10 through 16 years of age will be able to compete in free style, breast, stroke and back stroke events, all 50 yards in length, while the younger 8-9 age group will compete in a 50-foot free style event.

There also will be open diving events in the 8-9, 10-11, 12-13 and 14-16 age groups. Trophies will be awarded for first through third places in each event, and an individual trophy will go to the boy or girl amassing the greatest number of points. Contestants will be allowed to compete in the diving event for their particular age group plus two swimming events.

Preliminaries in the swimming and diving competition will be held from 10 a.m. until noon. Elbert Roberts, pool manager, said. Finals have been scheduled for 2 p.m.

## Entry Deadline Aug. 22

An entry blank appears on today's sports page and should be completed and returned by the contestant or his parents to the park pool office no later than 9 p.m. Tuesday, Aug. 22.

There is no entry fee, but contestants should list their ages and the events they plan to enter.

Assisting Roberts in conducting of the meet will be Pete Robinson, assistant meet chairman and clerk; Dick Yates, head timer; and Conrad Champion, head judge.

## Speeding Charged

Arrested Monday evening and charged with exceeding the speed limit at 20th street and Madison avenue, Constantine Takolakis, 25, of 2854 Madison avenue was released on \$11 cash bail to return Aug. 28 for a hearing.

## Park District 3-Day Tennis Tourney Will Begin Friday

A record number of entries is expected in the 11 divisions of the Granite City park district's second annual invitational tennis tournament, which is scheduled to begin here tomorrow morning.

Chief Referee Al Barnes said today that entries in all divisions are "running well ahead of last year." Entries close tonight, and first round pairings are to be drawn at 11 p.m., following the seeding of players.

First matches in the tournament, events in the boys' and girls' 18-and-under divisions, will begin at 9 a.m. tomorrow. Men's play is scheduled to begin at 1 p.m.

Four all-weather courts in Wilson Park, plus three others at Granite City high school, will be the scene of competition for the 32 trophies to be awarded. Barnes said courts at the Granite City Engineer Depot may also be used.

Such was the case last year when rain slowed up play, and matches were in progress at the same locations during the final two days.

Divisions Listed

Winner and runner-up trophies will be awarded Sunday in the men's singles and doubles, girls' 18 singles and doubles, girls' 15 singles and doubles, boys' 15 singles and doubles, boys' 13 singles and doubles and boys' 13 singles divisions.

Assisting Barnes in officiating tournament matches will be George Voegler, Al Malotti, Robert Toburen, Ernest Karandjeff and Emmett "Mutt" Rensing. Linesmen will not be furnished for first-round matches unless requested.

Prospective entrants who have not yet registered for the tournament may do so today by phoning Barnes at GL 2-3590 before 5 p.m. or Tournament Manager Ron Underwood at TR 6-8848 after 8:30 p.m.

## Hearts At Pochontas

Granite City's Sacred Heart will seek to keep its head above water—and the 500 mark—when it travels to Pochontas Sunday. The host Braves, who have been in-and-outers most of the season, won their sixth of the year last week by trouncing Carpenter 10-0.

McAtee Glass of East St. Louis, holding a slim, one-game lead over second-place Mercer, is scheduled to play at Troy Sunday afternoon, but whether the outing against the Redbirds will come to pass is doubtful since Troy could not field a full squad last week against Collinsville and was forced to forfeit.

The Red division race could well be decided on Sept. 3, when Collinsville and Moose Lodge meet for the third and final time this year.

Looking Ahead

A couple of other inter-division encounters which could play important roles in the final five weeks of the season are the Mercer-Collinsville meeting here Aug. 27 and a Moose-McAtee Glass clash in East St. Louis on Labor Day.

These three games will involve the only four teams who stand a chance of coping with the season's best teams which are separated in the present standings by just three games.

Add to that list a Labor Day match between Sacred Heart and Mercer at Wilson Park. The Hearts are out of the race for the Red division title, but would like nothing better than to down Mercer just when that club might need a victory badly.

## League Meets Friday

Inter-City officials will meet tomorrow night at the Moose Lodge in East St. Louis to determine just what is to be done with the vacant White City franchise.

League President Vernon Lucas of Collinsville has been seeking a sponsor who would pick up the tab for the remainder of the season, but nobody so far has indicated any interest, since such a party would have to dig up almost a complete ballclub.

All of White City's players under contract at the time Manager Don Kratochvil announced that the club was being disbanded because of financial troubles have been declared free agents.

Under contract with Mercer, since in time, too, since tomorrow night is the deadline for the club's being disbanded, eligible for the remainder of the 1961 season.

## Khoury Playoffs

### Match Springfield, Madison Squads

Three championship teams from among the divisions of the Madison Lions' Khoury league will play host to their counterparts from Springfield, Ill., tonight in Khoury zone playoff games in Madison.

All contests will begin at 6 o'clock.

On the 13th street diamond, St. Mary's Angels, Atom division champions, will meet the Springfield representatives in the same age group. The Midget division playoff encounter at 12th street will match the Labey Warriors and Springfield, while the Springfield Juvenile titlists will be hosted by Dow Metal Products at the Third street layout.

Formed at Camp Lejeune, N. C., the battalion moved to operate the camp's pistol and rifle ranges during the matches.

# Slow Pitch Champion Big Top 20-5 Victor; Club Delmar Wins In 14th

Big Top Bowl, champion of the Granite City park district's 35-Plus Slow Pitch Softball league, added another full game to its lead over second-place Granite City Trust & Savings Bank, and Jovly Club Delmar surprised VFW Post 1200 in concluding league tilts Monday night at Wilson Park.

Big Top wrapped up the regular season with a 25-hit barrage against Trust Bank, an attack which included eight safe blows that went for three or more bases. The final score was 20-5, with Big Top tallying 11 times in the final frame.

Ketter Blasts Two

Rufus Ketter blasted out two homers for the winners, and teammates Ike Bauer, Bob Dant and Babe Ameling each hit one round-tripper. Winning Pitcher Sunny Miloski contributed a triple to the cause, as did Paul Thompson and Ameling.

Tom Belshe homered for Trust Bank, and Vernal Deutchman collected a three-base knock. Miloski gave up nine hits. Olle Jacobsmeier started the final regular season 35-Plus standings:

Team	W	L	GB

**Superior handling**

One of Cadillac's most appreciated qualities has long been its extreme maneuverability for a car of such stature. A current example of this emphasis on handling ease is a new 1961 front end suspension system which permits a turning diameter importantly less than any other car of comparable wheelbase. Cadillac's superior handling ease quickly becomes evident behind the wheel—as does the incomparable seating comfort you enjoy as driver of the "car of cars."

### 300 Attend County Baptist Association Meeting Here

Approximately 300 persons attended the August meeting of the Madison County Baptist Association Monday evening at Grace Church, 2600 Edwards street.

Rev. Keith Stanford, moderator of the association, presided over the 7 o'clock board meeting, which was followed by a Training Union rally at 8 p. m.

MUSIC was under the direction of William Patterson, Association music director, and the Scripture lesson was given by Rev. Frank Branson, pastor of the host church.

One of the guest speakers was Rev. Howard White, pastor of Third Baptist Church.

Also on the program were Dr. and Mrs. W. D. Richardson of East St. Louis, newly-appointed missionaries to Ghana in Africa, and Miss Helen Smith of North Carolina and Miss Ruby Jones of Mississippi. Both are members of the Home Missionary board of the church and, while conducting schools in the area for the past ten weeks, have been residing with Rev. and Mrs. W. J. Richardson, 2822 Grand avenue.

Following the service, a farewell was held for the missionaries in the social rooms, and refreshments were served.

Clay Parker is director of the Training Union at Grace Church and Mrs. Chester McManaway is director of the County Training Union.

### Guests Arriving For Wedding Of Miss Moody

Out-of-town guests have been arriving this week for the wedding Saturday of Miss Molly Moody, daughter of Mr. and Mrs. Burly Moody of Chevy Chase Farm, near Edwardsville and John T. Isaacson of St. Louis.

They include Mr. and Mrs. James B. Robinson, Mr. and Mrs. H. G. Whittenberg, and Mr. and Mrs. Joe Durham Jr. of Louisville, Ky.; Mr. and Mrs. William Raines, Lexington, Ky.; Mr. and Mrs. Jacob Bunn and Mr. and Mrs. Marion Brown of Springfield, Ill.; Mr. and Mrs. Adolph Wertheimer, Chicago; and Mr. and Mrs. H. O. Lovett of Dixon, Ill., formerly of Granite City, and Mr. and Mrs. Howard Isaacson of Great Falls, Mont., parents of the bridegroom, who will give the rehearsal dinner Friday evening.

Parties for the bride-to-be have included a luncheon at which Mrs. H. E. Luaders and her daughter, Mrs. James Henderson, of Granite City, were hostesses at the Missouri Athletic Club, and a recipe shower by Mrs. James Niebeck of St. Louis for a group of 15 close friends of Miss Moody.

Mrs. H. H. Hall entertained 25 guests at a dinner party for Miss Moody and her fiancé at her home, 44 Washington Terrace, St. Louis, and while attending the Lexington, Ky., Junior League Horse Show a luncheon honoring the bride-elect was given by Mrs. Daniel Midkiff Jr. of Versailles, Ky.

Miss Moody has her champion harness mare, Martha Denmark, at the Illinois State Fair in Springfield, together with two colts to be shown in the Land of Lincoln Futurity this week.

A luncheon will be given Friday by the bride for her bridesmaids.

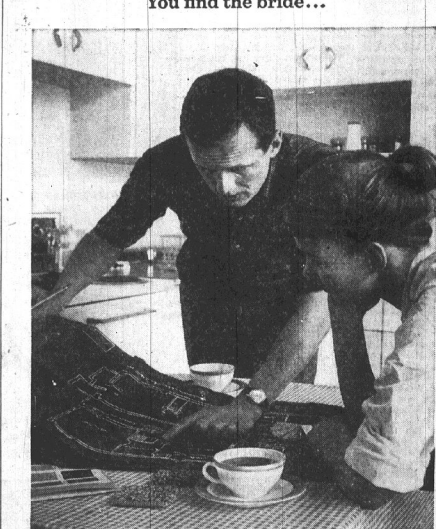

The wedding of Miss Moody and Mr. Isaacson will take place at Memorial Presbyterian Church in St. Louis at 8 p. m. Saturday, with a reception following at the Gatesworth, Hotel.

## Hospital To Offer One-Year Practical Nursing Course

Part of a one-year course in practical nursing soon will be offered at St. Elizabeth Hospital in cooperation with the F. W. Olin vocational school, Alton, it was announced this week by Hospital Administrator Sister Mary Thomas.

The course, leading to licensing for both men and women will begin Sept. 20 for those who complete three-hour entrance examinations Aug. 24 and pay \$75 tuition, books and laboratory fees.

The course is divided into two parts, with the first 17 weeks at the Alton school, followed by 32 weeks of practical training here.

Age, Education. To qualify, one must be between the ages of 18 and 35, in

## Break Ground For St. John Church Parsonage Sunday

St. John United Church of Christ, 2901 Nameoki road, will hold a parsonage ground-breaking ceremony Sunday on the church property 120 feet north of the present sanctuary. For the special occasion, there will be only one worship service, beginning at 9 a.m.

At approximately 9:50 a.m., the congregation and all church school classes will assemble at the site of the new parsonage, each armed with a spade or shovel, and all will be invited to participate in the breaking of ground.

Zimmer Brothers Construction Co. of Granite City has been awarded the contract for construction, having submitted a bid of \$37,250. The floor plan and specifications were prepared by Julius Taring, architect from St. Louis.

The new residence will be a story and a half of brick construction with stone trim, including four bedrooms, a family room, kitchen, dining-living room, two baths and a double garage.

The parsonage committee that has worked on plans for the new structure during the past two years was composed of Homer Huber, chairman, and Charles Pindell, Mrs. Ted Pfender, Fred Putall, Harry Brinkhoff and Ivan Relicke. Relicke is general chairman of the church's centennial committees.

Construction of a new parsonage has been planned as one phase of celebration of the centennial of the church in 1962. The present 99-year-old frame parsonage has served as the living quarters for all 15 pastors and their families since the inception of the congregation in 1862. Rev. Paul R. Surbey is pastor.

## Port Awards Contract For Barge Switching

A contract for a barge switching operation known as "fleet-ing" was awarded at a special meeting of the Tri-City Regional Port District Monday night to the Harborline Towing Co., Clayton, Mo., which is a subsidiary of Hoffman Towing Co., a long-haul carrier on the river.

Commander John Barron, port manager, said the bid was the "most acceptable" of the seven received. The contract was the first ever awarded by the district.

"The fleet-ing contract provides for the terminating of river barges in transit prior to loading or unloading, providing tug service to the port, switching barges about the dock and such other transfer of barges as is necessary to permit the port to operate," Barron said.

He reported that the contract is comprised of numerous segments for each part of the operation and there is no average figure because "each individual case will take a different tariff." The river craft will be moved from the main river and near the Chain of Rocks Bridge to the local harbor area and back again under terms of the contract.

The contract lists separate prices in such areas as furnishing towboats of various sizes to the port at various hourly rates, use of tugs at the port for various purposes, fees and transportation of barges between the dock and fleet-ing area at different rates.

"The size and weight of the barge determines its price, and the size of the tug determines its price, so each case is different and no meaningful summary figure can be given," he said.

Regarding arrangements for insurance of bonds to finance construction of wharf and loading facilities, Barron said, "It is hoped that all problems in connection with bonding the port have been resolved, and we are progressing at a satisfactory rate."

Attending the meeting were Commander Barron, President Carl Ranft, Board Members Harold R. Fischer, Henry D. Karandjef and Harry E. Hartman and Legal Counsel Randall Robertson.

## Suicide, Accident Among Verdicts At Inquests

A coroner's inquest this week resulted in a verdict of suicide in the death of Ronald Bell, 2331 Monroe street, at St. Elizabeth Hospital Aug. 8. After drinking a poisonous insecticide, he was rushed to the hospital by his brother, Raul.

The inquest was conducted by Deputy Coroner Henry Pieper Monday night.

Pieper also held inquests into two other deaths Monday, with a verdict of accidental death returned on John E. Kamadulski, and death due to natural causes on Thomas D. Lewis.

The Kamadulski boy, four-year-old son of Mr. and Mrs. Leo Kamadulski, 2701 Swan avenue, Benjamin Addition, died shortly after arrival at St. Elizabeth Hospital Aug. 6 after being struck by a truck driven by his father in a driveway at their home. Death was attributed to a skull fracture and internal injuries.

Mr. Lewis, who lived at 1725 Primrose avenue, was a pronounced dead on arrival at St. Elizabeth Hospital July 31 after collapsing while at work on a construction project at Granite City Steel Co. A heart occlusion was listed as the probable cause of death.

### Coroner Inquiry Rules 5 Robert Death Natural

Deaths due to natural causes, probably a heart thrombosis, was the decision of a coroner's inquiry in the death of Earl C. Sicker, 2209 Charles street, who was dead on arrival at St. Elizabeth Hospital Aug. 9 after collapsing at the wheel of a truck on Narnold road.

The inquiry was conducted by Deputy Coroner Francis Lahey Monday night.

### 6-Month Excess Fees Of \$16,792 In 3 Offices

Excess fees for the Dec. 1-May 31 period amount to \$16,792 in three county offices — \$3867 sheriff, \$5367 treasurer and \$2558 circuit clerk's office — reports showed last week. The coroner's office listed a \$1507 deficit.

The funds were turned over to Treasurer Dan McGee for deposit in the county officers' fund.

MISS VENICE OF 1961 is one of these girls — but which one will it be? Five judges will have the pleasant task of making that decision at the 12th annual Miss Venice contest tomorrow night in Lee Park. Competing

## 7 To Compete In Venice Beauty Pageant Friday

Tension will reign for at least a while tomorrow night in Lee Park, Venice, as spectators and contestants alike await the judges' decision in the 1961 "Miss Venice" contest.

The competition is aimed at selecting a successor for Miss Jane DuBoise, who won the crown last year and will watch over the contest tomorrow night from atop her royal throne. As a climax to the night's events, Miss DuBoise will relinquish the throne to the newly chosen queen.

Seven girls will compete for the title of "Miss Venice, 1961." Each will attempt to impress the judges with her poise, personality, beauty, posture and overall appearance when the competition gets under way at 9 p.m.

Names of the five judges have not been made public, but they will be introduced to the audience at the beginning of the contest.

Contestants will appear before the judges and audience first in shorts and white blouses and then in formal evening gowns, individually as well as in a group.

**Orchestra To Play**  
Special music for the occasion will be provided by an orchestra.

Competing for the title are Misses Kay Chowning, Alma Dennis, Virginia Foley, Gene Hackney, Shirley A. Johnson, Beverly Martin and Delores May.

Miss Chowning, a daughter of 15, five feet, five inches tall and weighs 115 pounds, is 16 years old.

weights 112 pounds. She lists her hobbies as swimming, dancing and sports.

Smallest girl in the contest is Miss Dennis, who stands just five feet tall and weighs 98 pounds. A daughter of Mr. and Mrs. Everett Dennis, 127 Hampton street, she is 15. Her favorite pastime is sports, and she collects hats as a hobby.

Miss Foley, 17, is the daughter of Mr. and Mrs. Richard Foley, 147 Lincoln avenue. Weighing 116 pounds and measuring five feet, two inches tall, she says swimming and dancing rate as her most enjoyable activities.

**Collects Stuffed Animals**  
Participating in active sports and collecting stuffed animals are the hobbies of Miss Hackney.

daughter of Mr. and Mrs. Clarence Hackney, 210 Hampton street. Seventeen years old, she is five feet, five inches tall and weighs 120 pounds.

Miss Johnson is five feet, five inches tall, weighs 103 pounds, and is 16 years old.

for the crown are (left to right) Misses Virginia Foley, Gene Hackney, Kay Chowning, Delores May, Shirley Johnson, Alma Dennis and Beverly Martin.

and is 16 years old. She is the daughter of Mr. and Mrs. Arthur Johnson, 218 Kerr street, and says her hobbies are all sports. Cooking, sewing, dancing and swimming all prove enjoyable to Miss Martin, daughter of Mr. and Mrs. Albert Martin of 431 Lincoln avenue. She is 16, five feet, one inch tall and weighs 110 pounds.

### MEDALLION HOME FEATURES

#### APPLIANCES

Kitchens of Medallion Homes are cleaner, cooler, easier to care for and clean. Many of these modern homes also have the time-saving electric garbage disposers and dishwashers. They are equipped for all - electric laundries which give you 365 days of sunshine a year.

#### ADEQUATE WIRING

There are no "octopus" outlets in store for Medallion Home owners. Duplex outlets in each wall double outlets for every four feet of counter work in the kitchen, and outdoor outlets provide these homes with years-ahead capacity for the electrical work savers of tomorrow.

#### LIGHT FOR LIVING

Safety and see-ability are hallmarks of the Medallion Home. Indirect lighting adds to the decor of every room. Work areas in the kitchen are bright enough for any task. Hallways, stairs and outside entrances are well lighted for safety's sake. Even the basements are bright.

#### GOLD MEDALLIONS

Symbol of total electric comfort. When you see the Gold Medallion emblem in front of a home this signifies that it meets the Bronze Medallion Standards. Electric heating, although still slightly more expensive than other fuels, offers the ultimate in convenience, comfort and cleanliness.

### WIN AN ELECTRIC APPLIANCE 'FREE'

You may be the lucky winner of a new electric can opener, electric knife sharpener, a 4-quart electric sauce pan or an electric portable grill.

One of these fine electric appliances will be awarded at each of the Medallion Homes shown above. The awarding will take place at the close of Medallion Home Week.

There are no contests to enter and no rhymes or essays to write. Entry blanks will be available at each Medallion Home. You do not have to be present to win an appliance.

Employees of Illinois Power Company, the builders and electrical contractors of these Medallion Homes, their agencies, and members of their households are not eligible for this drawing.

### City Humane Officer's Duties, Work Detailed By SIU

(This is the 19th in a series of articles based on a study of the duties of the humane officer for the city of Granite City by Southern Illinois University.)

In a study of the dog catching operations of the city, the SIU experts recommend a two-way radio system for the humane officer's truck, a change in the dog license year to the calendar year to coincide with rabies inoculation programs and detailed record keeping by the humane officer.

With a new animal shelter under construction, the SIU team also urges the mayor and council to determine by ordinance the powers and duties of the Animal Shelter committee as well as maintaining control over the dog regulation program.

Granite City has operated a dog control program for many years—one with a dog catcher who picked up dead dogs in a baby carriage he pushed about the streets.

**A Sick, Rife And Spade**  
"Another man carried a sick, rife and spade, rode the bus or streetcar to the place where a dead dog was reported. He would put it in the sack, board the bus and ride until he passed a vacant lot."

"Thereupon, he would get off and bury the animal."  
"Such practices were not so unusual a few years ago when the humane officer was a smaller town. They would not meet the problem today."

A city either has to take positive steps to meet the dog problem or it must leave it to the haphazard care of private interests. Regardless what the city does, there is always a dog problem.

**Dog Lovers—Dog Haters**  
A large part of the dog problem is not the actions of the dogs themselves but the strong opinions expressed by dog lovers and the one hand and dog haters on the other.

Dog haters don't really hate dogs. They just think that the city is no place to keep a dog. "Once a city adopts a program of controlling dogs, it is very doubtful that it could ever discontinue it. Dog lovers and dog haters alike want the dogs controlled, the dog lovers because they keep their dogs under control so why can't everyone else, and the dog haters because they don't want any dogs digging up their flower beds or jumping on the children."

"Every time there is an attack by a pack of dogs in St. Louis, and here and there in Granite City to clean up the dogs."

garage, where personnel would be available to handle the public most hours of the day.

A charge of 20 cents a day is provided in the ordinance to cover the expenses of keeping dogs at the pound. The dog catcher says that this has not been charged regularly since the pound has been at the city garage. No record is kept of dogs picked up and their eventual disposition.

"A simple form should be completed on each dog picked up, and a copy should be filed with the city clerk. When a dog is released to its owner, or disposed of, the dog catcher's copy of the form properly completed should be returned to the city clerk. All payments should be made to the city clerk and not to the dog catcher."

During 1959, 268 male and 107 female dogs were licensed by the city; while the totals in 1960 were 204 males and 65 females. Expenditures for dog catching in those two years were — \$7523 in 1959 and \$7411 in 1960.

## Protestant Welfare Aids In Emergencies

In its short, seven-year history, Protestant Welfare has aided more people than presently live in all of Madison. Since it was begun by Protestant laymen in 1954 the agency has assisted an average of 1000 persons a year. The number of persons aided has been growing each year.

With offices at 2052 Edison avenue, this United Fund agency provides guidance and assistance to families, individuals and children who are in need or who seek special aid. No religious restrictions exist for any form of aid.

Granite City PRESS-RECORD  
Page 34 Thurs., Aug. 17, 1961

**Counseling, Food, Clothing**  
Counseling is given to families and individuals with financial, marital and child care problems. And financial aid is provided for food, rent, utilities, furniture, clothing, medical bills and transportation.

Quad-City ministers are available each morning and for appointments. They act as counselors on a rotating basis. Full-time case worker and office secretary is Mrs. Marie Whittle.

Last year, Protestant Welfare assisted 956 persons in 248 cases. The types of cases range from one-time aid for transients to year-long financial assistance and guidance given to whole families.

Sample cases show that the agency aided in almost every kind of emergency situation.

**Aid In Time of Need**  
Last October, the mother of five children, whose husband had

deserted her, reported that her refrigerator had been burned out beyond repair. She had no reserve money, her only resource being state aid for the dependent children. So Mrs. Whittle arranged for the purchase of a refrigerator with the agency paying the bill.

Last November Protestant Welfare truck driver was in danger of losing his truck. He had had no work for four months and could not make the truck payments. The agency supplied the back payments.

A woman in her sixties had been living in an apartment with another woman who owned the furniture. The other woman decided to move out of town, taking all her furniture along. The older woman had no savings and turned to the agency for a few pieces of furniture.

The young husband was drafted, leaving his wife with three children under the age of six at home. Then, when his allotment check did not come for two months, the wife could not buy food for the children. She received food orders until the missing checks were located.

**Dental Care**  
An impoverished family had no way to send two children to a dental clinic in St. Louis. Mrs. Whittle found volunteers who took the children twice a week for a month.

A man and his wife had been quarreling for about three months when they came together for advice from one of the ministers on duty. They returned for the next six months for counseling.

This week, Mrs. Whittle and six volunteers she describes as "extremely dependable" are busy distributing school clothes to families that cannot afford new wardrobe each fall. She explains that the clothes usually make a great change in the outlook of the children.

**Confer With Ministers**  
When a case is severe or highly unusual, the opinions of many of the member ministers and directors are pooled by means of the regional committee. Ministers represent the Quad-City Ministerial Association and 28 local churches.

The agency supplies wheel chairs, crutches, a hospital bed and walkers on loan basis to sick and injured persons. The clothing room in the rear of the building is kept filled through contributions, but turns over is rapid.

Mrs. Whittle said that, because of unemployment this year, relief orders are up almost 75%. Through June, the office had distributed \$4731, as compared to \$5465 for all of 1960. In the 12 months of last year, the agency distributed 367 relief orders and has given out 232 already in 1961.

**Furniture Distributed**  
The furniture distributed last year was valued at about \$800. About \$400 worth has been given out this year through June. The agency is supported almost entirely by the United Fund, with 96% of its revenue coming from the annual fall drive. The remainder comes from contributions.

Mrs. Whittle is the only paid worker. Ministers serve as directors of the day. William G. Harris of the National Lead Co. is president of the board of directors.

Protestant Welfare is planning eventually to incorporate adoption and child care services into its program. The staff would be increased if the program goes into effect.

**PROTESTANT WELFARE** activities. The photograph of staff members this week at the agency offices, 2052 Edison avenue, shows the director of the day, Rev. Calvin Marcum (left), pastor of the Nameoki Presbyterian Church, who is looking over a case with Mrs. Marie Whittle (right), office secretary. Twenty-eight ministers serve as directors on a rotating basis and are available each morning and for appointments. The other picture shows the agency clothing store room being arranged by members of Youth Caravan, a group of about 25 young people who traveled through the Midwest this summer, working at Protestant churches and institutions. The store room holds as many as 20,000 items which are distributed to needy persons during the year.

## Land Purchase Sought For Use As Lake Drain

Lawrence Tolar, newly-installed president of the East Side Levee Board, has announced that an attempt will be made Tuesday to buy a strip of privately-owned land between a spillway and the main body of Horseshoe Lake.

The tract of land, which has silted over and regarded as a factor in hampering the functioning of the spillway, belongs to Elizabeth Nicholas and is managed by Louis Strackelbach, Tolar said.

Following a plea from William Nichols, president of the Horseshoe Lake Landowners Association, Tolar had an old drainage canal dredged out last week to prevent flooding in the lake area. At the same time, Tolar said the levee board also is investigating the possibility of installing two large drainage pipes with flood gates at the site of the old canal.

Nichols had indicated that the water level was 30 inches above normal. The levee district owns only the canal between the lake and the spillway. In the past, on several occasions, the district has attempted to buy additional land. It also has asked permission to clear out debris to permit the water to reach the spillway. Condemnation also has been discussed.

Tolar said that exact estimates are not available, but he estimates that it may cost about \$8000 to install permanent flood gates at the site of the old canal. The canal had been open until about a month ago, but filled in to a point where the water no longer could drain fast enough to lower the lake level, he added.

## Week's Postponement In Nameoki Town Board Meet

With a regular monthly meeting of the Nameoki town board postponed for a week, the board will convene Saturday at 10 a.m. at the township office.

Supervisor Harry Briggs rescheduled the meeting because of an appointment in Chicago which he later was unable to keep.

## Speeding Arrest

Danny R. Towery, 19, of 2929 Pershing avenue was arrested Tuesday at 12:20 a.m. for speeding on Johnson road near Franklin avenue. He was released after posting his driver's license as bond.

## Bankruptcy Petitions Filed By 14 Residents

Petitions have been filed with the U. S. bankruptcy referee in Springfield by 14 Quad-Cityans. It was learned today from the Associated Retailers.

Those filing petitions were: Walter Adams, 2230 Benton street; Phillip Edward Barr, 202 Granville street; Venner John Walter Berry, 106 Glenview avenue; Madison; John William Douglas, 1006 Iowa street; Madison; Raymond Walter Haeb, 624 Ashland avenue; Walter Paul Kamradt, 2612 Cass street; Chicago; Charles E. ## Airman Russell To Be Trained In Colorado

Airman Victor E. Russell, son of Mr. and Mrs. Edgar F. Russell, 1218 Robin street, Venice, has completed his initial course of Air Force basic military training here. He has been selected to attend the technical training course for Munitions and Weapons Maintenance at Lowry Air Force Base, Colo.

Airman Russell attended Venice high school. Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after five weeks of basic training. At the technical schools, they are given additional military training along with the technical instructions.

Upon completion of special technical training at an Air Force Technical Training Center, he will be assigned to an operational unit.

## Rotarians Told Turkey Does Not Fear Russia

Owen Day, an exchange student from Turkey and a member of the Press-Record news staff this summer, was guest speaker at Greater City Rotarians' weekly luncheon Tuesday at the local "Y" auditorium. He was introduced by Owen Day, program chairman.

In his talk, Nayman spoke on the history of relations between Turkey and Russia. He said, "Like any other democratic country, Turkey is alert and ready for any possible interaction. Since the 15th century, we have been fighting wars with Russians, and we do not have fear of more." The two countries

have a common border, part of Russia's "iron curtain." Answering questions after the talk, Nayman said, "Tillitery is one of the biggest problems of our country, but since last year important steps have been taken in order to improve the recent size of literate people. Many reserve officers are serving their terms in teaching under the ministry of education for two years."

The annual Rotary Horse Show was discussed at the meeting, and the Rotarians were urged to continue selling tickets. Assigned To England Airman third-class Paul S. Dunn has been assigned to the Bruntingthorpe Air Force Base in England after graduating from training at the Chanute base in Illinois. A member of the 10th Armament and Electronics Maintenance Squadron, he began a four-year enlistment Jan. 2, 1961, and received basic training at Lackland Air Force Base in Texas. His parents are Mr. and Mrs. A. N. Dunn, 1928 Sixth street, East Madison.

## Venice Twp. Relief Costs Down In July

Venice township relief assistance in July took a marked drop in all categories, with a decrease in costs of \$1438.

Relief costs during July totaled \$8715, as compared to \$10,153 for June. Case total was 118 with 392 persons involved and two in nursing homes. For June the figures were 130 cases, 438 persons and three in nursing homes.

In July 1960, the monthly costs were \$6426 for 105 cases and 329 people. Since the beginning of the calendar year the relief program has cost a total of \$81,085 in 998 cases involving 3298 persons. In May the figures were \$12,857 for 140 cases and 469 persons; April, \$12,222 for 156 and 467; March, \$14,863 for 169 and 547; February, \$12,364 for 149 and 503; and January, \$9889 for 136 and 452.

**SCOUTMASTER** George Bugle, Box 43, Mitchell, Calhoun County, was one of 90 scoutmasters at the 1961 national conference held at the 127,000-acre Philmont Scout Ranch, Cimarron, N.M., ending early this week. He was recognized for service to youth and leadership in scouting's current "Strengthen American Character Counts" program, being chosen from among the nation's 1,300,000 volunteer scout leaders. The recognition brought with it a scholarship grant covering expenses at the conference. Bugle has been active in scouting for over 10 years, the last four as scoutmaster of Troop 41, which is sponsored by the Mitchell Parent-Teacher Association. Besides giving leadership to his troops, he devotes time and effort to the leadership training program of the district and council. He has earned the Scouters Key Training award, and in 1959 was awarded the council's Oscar award for leadership.

**State Fair Entering Final Three-Day Period**  
Illinois' 109th annual state fair is entering the final three days, with estimates of over 10 million visitors during the 10-day exposition on the 366-acre grounds.  
A new-type attraction will be held in the final two nights, Saturday and Sunday. Hubert Castle's Circorama will be presented both nights. The circus includes the Pallenberg Bears and the Hanneford Riding Troupe. Added attractions will be the appearances of brothers David, an aerialist, will appear in a flying act. Brother Ricky, who has recorded many top selling records will sing. Each night, fireworks will be presented in front of the grandstand to climax the show. All of the night grandstand shows will start at 8 o'clock.  
Other entertainment will be provided by comic Candy Candido, the man of a thousand voices, who will be on the grounds throughout the fair's run as an official greeter. The Three Stooges, Ken Boen and the New Gray Mare, and Mary Norlen will be presented at each performance of the horse show in the Coliseum.  
Another feature will be the musical-drama-a-lynd draw of Dee Woolen. Rated the "fastest gun alive," Woolen has been recorded electronically at a speed of .32 of a second, which is said by experts to be three times as fast as gunfighters heralded by western writers of the past.  
Each day of the fair has been designated a special day and the lineup for the remaining three days has tomorrow tagged the Golden Age Day, Saturday, Auto Race Day and Sunday, the

## IN MEMORIAM

In loving memory of GUY W. GRAF, who passed away August 17, 1957.  
His smiling face and pleasant voice  
Are a pleasure to recall;  
He had a kindly word for each  
And died beloved by all.  
Some day we hope to meet him,  
Some day we know not where,  
Till clasp his hand in the better  
land.

Never to part again,  
Sadly missed by  
WIFE GLADYS AND ALL  
WHO LOVED HIM 8-17

In loving memory of our dear  
husband and father RAYMOND  
SPINKS; August 22, 1957.  
Loving memories never  
fade.  
As years roll on and days pass  
by,  
In our hearts a memory is kept  
Of one we loved and will never  
forget.

Sadly missed by  
WIFE AND CHILDREN 8-17

**ADVERTISEMENT FOR BIDS**  
Advertisement for bids for the  
construction of Project 11-G  
consisting of an extension of  
the Lansdowne sanitary trunk  
sewer to a point in Forest  
Boulevard about 300 feet  
east of Alton and Southern  
Railroad.

Sealed proposals in duplicate  
for the construction of Project  
11-G consisting of a sanitary  
sewer trunk line for the area  
situated generally east of the  
Alton and Southern Railroad  
and south of the Baltimore and  
Ohio Railroad including the  
Village of Calverville in St. Clair  
County, Illinois, and the  
extension of a sanitary trunk  
sewer from an existing manhole on the  
Village of Calverville to a point  
about 600 feet north of Forest  
Boulevard eastward to a point  
about 300 feet east of Alton and  
Southern Railroad right-of-way,  
will be received by the Board of  
Trustees of the East Side Levee  
and Sanitary District at its  
office, 2642 McCaskey Building,  
East St. Louis, Illinois, until  
10:30 a.m., September 28, 1961,  
and then will be publicly  
opened and read.

The work proposed is in  
accordance with Ordinance No.  
383 of the East Side Levee and  
Sanitary District, and the plans  
and specifications therefor are  
on file in the office of the East  
Side Levee and Sanitary Dis-  
trict where they may be in-  
spected by prospective bidders.  
Proposals for said work must  
be made on printed forms pre-  
pared by the East Side Levee

check upon some banking insti-  
tution in the District satisfac-  
tory to the Board of Trustees,  
payable at sight to the Presi-  
dent of The East Side Levee  
and Sanitary District, for ten  
per cent (10%) of the amount  
of the proposal. A bidder's bond  
will not be acceptable.

As proof of the ability of the  
bidders to properly finance and  
construct the work under this  
contract, The East Side Levee  
and Sanitary District, before  
issuing copies of plans, speci-  
fications and form of contract  
and bidding blanks to the bid-  
ders, will require each bidder  
to make a statement, in dupli-  
cate, of his experience, avail-  
able equipment and financial  
resources. This information is  
to be furnished on blanks pro-  
vided by The East Side Levee  
and Sanitary District and  
must be filed with the Clerk of  
District not less than fifteen  
(15) days before the time set  
for opening of bids. Prospective  
bidders, after complying with  
these requirements, may then  
obtain copies of the detailed  
plans, specifications, form of  
contract and bidding blanks upon  
deposit of Ten Dollars (\$10.00)  
with the Clerk of the District,  
which sum will be re-  
funded to every bidder who  
submits a bona fide proposal  
for the work and who returns the  
plans and specifications in good  
condition within ten (10) days  
after the time set for the open-  
ing of bids.

The successful bidder will be  
required to furnish a performance  
bond in the full amount of this  
contract, said bond to be  
satisfactory to The East Side  
Levee and Sanitary District.

## NOTICE

On Saturday, September 9, 1961,  
at 10 a.m., D.S.T., the Board of  
Zoning Appeals will meet in the  
conference room of the city hall  
to consider a request for a vari-  
ation in the zoning ordinance to  
allow a church, educational  
building and auditorium to be  
built by and adjacent to the  
First Church of the Nazarene,  
2400 East Twenty-fifth Street,  
Granite City, Ill. The proposed  
variations requested would per-  
mit a building nearer the side  
lot line and nearer the rear lot  
line. It would further permit  
a building to be constructed

in accordance with Ordinance No.  
383 of the East Side Levee and

## Number Working Rises By 1700 in Six-Month Period

Employment in 62 reporting  
establishments in the Quad-  
Cities increased by 1738 persons  
during the six-month period end-  
ing July 15, when a figure of  
15,287 was reported to the local  
Illinois State Employment Ser-  
vice office.

Seasonal upswings in several  
industries bolstered the gain. A  
comparison with a year ago in-  
dicates a loss of 387, with gains  
in non-durable goods and non-  
manufacturing falling to balance  
losses in durable goods. Last  
year, the July total was 15,674.

**1975 Drop in Jobs**  
Unemployment decreased dur-  
ing the six months from 2880,  
including 1225 women, to 1775,  
also including 425 women. Job-  
lessness in July last year was  
1625, with 525 women.  
The outlook for the next sev-  
eral months points to a slight  
overall reduction in employ-  
ment, due to a seasonal decline in du-  
rable goods, outweighing gains in  
non-durable and non-manufac-  
turing.

The Sept. 15 employment esti-  
mate is 14,900.  
**Durable Goods**  
Major portion of the 1975 in-  
crease in manufacturing employ-  
ment occurred in durable goods,  
which rose from 3167 to 3190, with  
30 firms reporting during the two-  
month period.

Gains occurred in contract  
construction, 215 to 257; com-  
munications, electrical, gas and  
sanitation services, 332 to 339;  
wholesale trade, 63 to 64; retail  
trade, 672 to 673; finance, in-  
surance and real estate, 232 to  
238; and professional, education  
and related services, 265 to  
267. Losses were noted in trans-  
portation, 98 to 97; food and  
kindred products, 3167 to 3190;  
and government, 1133 to  
1132. Non-professional services  
remained at 37.

Predictions for Sept. 15 show  
a loss of all 204 presently-em-  
ployed furniture workers and a  
decrease of 198 transportation  
equipment workers, from 1248  
to 1050, both under the durable  
goods classification. Altogether,  
durable goods are expected to  
show a decrease of 415, from  
10,832 to 10,417.

In non-durable goods, an in-  
crease of 28 workers, from 4273  
to 4301, is expected to be ac-  
counted for by a hike under pe-  
troleum refining from 86 to 103;  
rubber and plastics, 15 to 23;  
chemicals, 101 to 106; and paper,  
162 to 165.

**Food Products Drop**  
Employers in food and kind-  
red products will drop from 841  
to 834 and the 65 under printing  
and publishing will not change,  
according to employers' esti-  
mates.

An increase of nine persons in  
non-manufacturing, from 3190  
to 3199, is anticipated.  
Expected changes are in  
wholesale trade, 64 to 65; retail  
trade, 673 to 684; government,  
1132 to 1130; and finance, in-  
surance and real estate, 238 to 237.  
The other categories show no change.

**Analysis of Jobseekers**  
A survey of the active file  
of job seekers registered with  
the local state employment of-  
fice reveals that 28% are either  
skilled or semi-skilled; 20%  
are unskilled; 18% are inexperienced;  
15% are clerical and  
sales; 12% are service workers;  
and the remaining 1% are in the  
professional - managerial cate-  
gory.

Of these applicants, 63% are  
between the ages of 20 and 44;  
19% between 45 and 64; 16%  
under 20; and 2% are 65 and  
over.

The available labor supply  
shows more than adequately  
meet all anticipated demands,  
except for possible shortages in  
highly-skilled and technical-pro-  
fessional categories, the ISES  
comments.

**Record Dance, Work  
Day For Roca Gold**

Gold chapter of Roca Young  
Men's club will host a record  
dance beginning at 8 o'clock this  
evening in the "300" room of  
Big Top Bowl. Admission to the  
dance is 25 cents.

Gold and Black chapters also  
plan to hold a joint meeting  
next Tuesday night at the  
Moore Club, with black chapter  
as host.

Future Gold chapter plans call  
for a special party for members  
who will be leaving the club af-  
ter the fall school semester ends  
and fund-raising projects in-  
cluding a car wash and work  
day.

During Tuesday's meeting at  
the Big Top Bowl, the Gold  
chapter inducted one new  
pledge, Wayne Hancock.
